If a student participates in such a survey requesting information about personal beliefs and practices, school officials and staff members shall not request or disclose the student's identity.

Notwithstanding the above requirements for prior written consent, the district may administer to students in grades 7-12 anonymous, voluntary, and confidential research and evaluation tools to measure student health risks and behaviors, including tests and surveys about student attitudes or practices related to sex as long as parents/guardians are provided written notice and given an opportunity to request, in writing, that their child not participate. (Education Code 51938)

Within a reasonable period of time after receiving a parent/guardian's request, the principal or designee shall permit the parent/guardian to view the survey or other document he/she requested. A parent/guardian may view the document any time during normal business hours.

No student shall be subject to penalty for his/her parent/guardian's exercise of any of the rights stated above.

Health Examinations

Authorized school officials may administer to any student any physical examination or screening permitted under California law. However, no student shall be subjected to a nonemergency, invasive physical examination without prior written notice to his/her parent/guardian, unless an applicable state law authorizes the student to provide consent without parent/guardian notification. (20 USC 1232h)

Invasive physical examination means any medical examination that involves the exposure of private body parts or any act during such examination that includes incision, insertion, or injection into the body, but does not include a properly authorized hearing, vision, or scoliosis screening. Prior to administering any anonymous and voluntary survey regarding health risks and behaviors to students in grades 7-12, the district shall provide parents/guardians with written notice that the survey is to be administered. (Education Code 51938)

Parents/guardians shall also be notified of any substantive change to this policy and administrative regulation within a reasonable period of time after adoption of the change. (20 USC 1232h)

Policy 5030: Student Wellness

Status: DRAFT

Original Adopted Date: 07/01/2011 | **Last Revised Date:** 12/01/2016

The Governing Board recognizes the link between student health and learning and desires to provide a comprehensive program promoting healthy eating and physical activity for district students. The Superintendent or designee shall coordinate and align district efforts to support student wellness through health education, physical education and activity, health services, nutrition services, psychological and counseling services, and a safe and healthy school environment. In addition, the Superintendent or designee shall develop strategies for promoting staff wellness and for involving parents/guardians and the community in reinforcing students' understanding and appreciation of the importance of a healthy lifestyle.

School Wellness Council

The Superintendent or designee shall encourage parents/guardians, students, food service employees, physical education teachers, school health professionals, Board members, school administrators, and members of the public to participate in the development, implementation, and periodic review and update of the district's student wellness policy. (42 USC 1758b; 7 CFR 210.31)

To fulfill this requirement, the Superintendent or designee may appoint a school wellness council or wellness committee and a wellness council or committee facilitator. The council or committee may include representatives of the groups listed above, as well as health educators, curriculum directors, counselors, before- and after-school program staff, health practitioners, and/or others interested in school health issues.

The Superintendent or designee may make available to the public and school community a list of the names, position titles, and contact information of the wellness council members.

The wellness council or committee shall advise the district on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the duties of the council may also include the planning, implementation, and evaluation of activities to promote health within the school or community.

Goals for Nutrition, Physical Activity, and Other Wellness Activities

The Board shall adopt specific goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness. In developing such goals, the Board shall review and consider evidence-based strategies and techniques. (42 USC 1758b; 7 CFR 210.31)

The district's nutrition education and physical education programs shall be based on research, shall be consistent with the expectations established in the state's curriculum frameworks and content standards, and shall be designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

The nutrition education program shall include, but is not limited to, information about the benefits of healthy eating for learning, disease prevention, weight management, and oral health. Nutrition education shall be provided as part of the health education program and, as appropriate, shall be integrated into other academic subjects in the regular educational program, before- and after-school programs, summer learning programs, and school garden programs.

All students shall be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity shall be provided through physical education and recess and may also be provided through school athletic programs, extracurricular programs, before- and after-school programs, summer learning programs, programs encouraging students to walk or bicycle to and from school, in-class physical activity breaks, and other structured and unstructured activities.

The Board may enter into a joint use agreement or memorandum of understanding to make district facilities or grounds available for recreational or sports activities outside the school day and/or to use community facilities to expand students' access to opportunity for physical activity.

Professional development may be regularly offered to the nutrition program director, managers, and staff, as well as health education teachers, physical education teachers, coaches, activity supervisors, and other staff as appropriate to enhance their knowledge and skills related to student health and wellness.

In order to ensure that students have access to comprehensive health services, the district may provide access to health services at or near district schools and/or may provide referrals to community resources.

The Board recognizes that a safe, positive school environment is also conducive to students' physical and mental health and thus prohibits bullying and harassment of all students, including bullying on the basis of weight or health condition.

The Superintendent or designee shall encourage staff to serve as positive role models for healthy eating and physical fitness. He/she shall promote work-site wellness programs and may provide opportunities for regular physical activity among employees.

Nutrition Guidelines for All Foods Available at School

For all foods and beverages available on each campus during the school day, the district shall adopt nutrition guidelines which are consistent with 42 USC 1758, 1766, 1773, and 1779 and federal regulations and which support the objectives of promoting student health and reducing childhood obesity. (42 USC 1758b)

In order to maximize the district's ability to provide nutritious meals and snacks, all district schools shall participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs and after-school snack programs, to the extent possible. When approved by the California Department of Education, the district may sponsor a summer meal program.

The Superintendent or designee shall provide access to free, potable water in the food service area during meal times in accordance with Education Code 38086 and 42 USC 1758, and shall encourage students' consumption of water by educating them about the health benefits of water and by serving water in an appealing manner.

The Board believes that all foods and beverages sold to students at district schools, including those available outside the district's reimbursable food services program, should support the health curriculum and promote optimal health. Nutrition standards adopted by the district for foods and beverages provided through student stores, vending machines, or other venues shall meet or exceed state and federal nutrition standards.

The Superintendent or designee shall encourage school organizations to use healthy food items or non-food items for fundraising purposes.

He/she also shall encourage school staff to avoid the use of non-nutritious foods as a reward for students' academic performance, accomplishments, or classroom behavior.

School staff shall encourage parents/guardians or other volunteers to support the district's nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties. Class parties or celebrations shall be held after the lunch period when possible.

To reinforce the district's nutrition education program, the Board prohibits the marketing and advertising of foods and beverages that do not meet nutrition standards for the sale of foods and beverages on campus during the school day. (Education Code 49431.9; 7 CFR 210.31)

Program Implementation and Evaluation

The Superintendent designates the individual(s) identified below as the individual(s) responsible for ensuring that each school site complies with the district's wellness policy. (42 USC 1758b; 7 CFR 210.31)

Executive Director of Student Services

(42 USC 1758b)

The Superintendent or designee shall invite feedback on district and school wellness activities from food service

personnel, school administrators, the wellness council, parents/guardians, students, teachers, before- and after-school program staff, and/or other appropriate persons.

The Board and the Superintendent or designee shall establish indicators that will be used to measure the implementation and effectiveness of the district activities related to student wellness. Such indicators may include, but are not limited to:

1. Descriptions of the district's nutrition education, physical education, and health education curricula and the extent to which they align with state academic content standards and legal requirements
2. An analysis of the nutritional content of school meals and snacks served in all district programs, based on a sample of menus and production records
3. Student participation rates in all school meal and/or snack programs, including the number of students enrolled in the free and reduced-price meals program compared to the number of students eligible for that program
4. Extent to which foods and beverages sold on campus outside the food services program, such as through vending machines, student stores, or fundraisers, comply with nutrition standards
5. Extent to which other foods and beverages that are available on campus during the school day, such as foods and beverages for classroom parties, school celebrations, and rewards/incentives, comply with nutrition standards
6. Results of the state's physical fitness test at applicable grade levels
7. Number of minutes of physical education offered at each grade span, and the estimated percentage of class time spent in moderate to vigorous physical activity
8. A description of district efforts to provide additional opportunities for physical activity outside of the physical education program
9. A description of other districtwide or school-based wellness activities offered, including the number of sites and/or students participating, as appropriate

As feasible, the assessment report may include a comparison of results across multiple years, a comparison of district data with county, statewide, or national data, and/or a comparison of wellness data with other student outcomes such as academic indicators or student discipline rates.

In addition, the Superintendent or designee shall prepare and maintain the proper documentation and records needed for the administrative review of the district's wellness policy conducted by the California Department of Education (CDE) every three years.

Policy 5113.1: Chronic Absence And Truancy

Status: DRAFT

Original Adopted Date: 11/01/2012 | **Last Revised Date:** 10/01/2020

The Governing Board believes that absenteeism, whatever the cause, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the district.

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and administrative regulation, and to identify patterns of absence throughout the district.

The Superintendent, attendance supervisor, or designee shall consult with students, parents/guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy.

The Superintendent, attendance supervisor, or designee shall develop a tiered approach to reducing chronic absence. Such an approach shall include strategies for preventing attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, letters alerting parents/guardians to the value of regular school attendance, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance.

The tiered approach shall also provide for early outreach to students as soon as they show signs of poor attendance or if they were chronically absent in the prior school year. Early intervention may include personalized outreach, individual attendance plans, and/or mentoring to students with moderate levels of chronic absence, with additional intensive, interagency wrap-around services for students with the highest level of absence.

Students with serious attendance problems shall be provided with interventions specific to their needs, which may include, but are not limited to, health care referrals, transportation assistance, counseling for mental or emotional difficulties, academic supports, efforts to address school or community safety concerns, discussions with the student and parent/guardian about their attitudes regarding schooling, or other strategies to remove identified barriers to school attendance. The Superintendent, attendance supervisor, or designee may collaborate with child welfare services, law enforcement, courts, public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to make alternative educational programs and support services available for students and families.

The Superintendent or designee shall ensure that staff assigned to fulfill attendance-related duties are trained in implementing a trauma-informed approach to chronic absence and receive information about the high correlation between chronic absence and exposure to adverse childhood experiences.

Students who are identified as chronically absent or truant shall be subject to the interventions specified in law and administrative regulation.

A student's truancy, tardiness, or other absence from school shall not be the basis for suspension or expulsion. Alternative strategies and positive reinforcement for attendance shall be used whenever possible.

The Superintendent, attendance supervisor, or designee shall periodically report to the Board regarding student attendance patterns in the district, including rates of chronic absence and truancy districtwide and for each school, grade level, and numerically significant student subgroup as defined in Education Code 52052. Such information shall be used to evaluate the effectiveness of strategies implemented to reduce chronic absence and truancy and to develop annual goals and specific actions for student attendance and engagement to be included in the district's local control and accountability plan and other applicable school and district plans. As appropriate, the Superintendent or designee shall engage school staff in program evaluation and improvement and in the determination of how to best allocate available community resources.

Regulation 5113.1: Chronic Absence And Truancy

Status: DRAFT

Original Adopted Date: 11/01/2010 | **Last Revised Date:** 10/01/2020

Definitions

Chronic absentee means a student who is absent for any reason on 10 percent or more of the school days in the school year, when the total number of days the student is absent is divided by the total number of days the student is enrolled and school was actually taught in the regular schools of the district, exclusive of Saturdays and Sundays. (Education Code 60901)

Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. (Education Code 48260)

Habitual truant means a student who has been reported as a truant three or more times within the same school year, provided the district has made a conscientious effort to hold at least one conference with the student and the student's parent/guardian after either of the two previous reports. (Education Code 48262, 48264.5)

Chronic truant means a student who has been absent from school without a valid excuse for 10 percent or more of the school days in one school year, from the date of enrollment to the current date, provided the district has met the requirements of Education Code 48260, 48260.5, 48261, 48262, 48263, and 48291. (Education Code 48263.6)

For purposes of classifying a student as a truant, *valid excuse* includes, but is not limited to, the reasons for which a student shall be excused from school pursuant to Education Code 48205 and 48225.5 and AR 5113 - Absences and Excuses. A valid excuse may include other reasons that are within the discretion of school administrators and, based on the facts of the student's circumstances, are deemed to constitute a valid excuse. (Education Code 48260)

Addressing Chronic Absence

When a student is identified as a chronic absentee, the Superintendent, attendance supervisor, or designee shall communicate with the student and the student's parents/guardians to determine the reason(s) for the excessive absences, ensure the student and parents/guardians are aware of the adverse consequences of poor attendance, and jointly develop a plan for improving the student's school attendance.

The student may be referred to a student success team or school-site attendance review team to assist in evaluating the student's needs and identifying strategies and programs to assist the student. When necessary, the student may be referred to a school attendance review board (SARB) program, a truancy mediation program at the district level in accordance with Education Code 48263 and item #3 in the section "Addressing Truancy" below.

A student who is struggling academically may be offered tutoring or other supplemental instruction, extended learning opportunities, and/or alternative educational options as appropriate.

Students who are absent shall be given an opportunity to make up missed assignments or assessments and shall receive full credit for satisfactory completion of the work. Students with excessive absences shall be supported to the extent possible to limit the impact of absences on the student's grades.

Whenever chronic absenteeism is linked to a health, social-emotional, family, or other nonschool issue, the Superintendent or designee may recommend school or community resources and/or collaborate with community agencies and organizations to address the needs of the student and the student's family.

Addressing Truancy

The Superintendent, attendance supervisor, or designee shall investigate a complaint from any person that a parent/guardian has violated the state compulsory education laws contained in Education Code 48200-48341. (Education Code 48290)

When a student has been identified as a truant as defined above, the following steps shall be implemented based on the number of trancies the student has committed:

1. Initial truancy- 3 unexcused absences

- a. The student's parent/guardian shall be notified by the most cost-effective method possible, which may include email or a telephone call or letter mailed home, that: (Education Code 48260.5)
 - i. The student is truant.
 - ii. The parent/guardian is obligated to compel the student to attend school and, if the parent/guardian fails to meet this obligation, the parent/guardian may be guilty of an infraction of the law and subject to prosecution pursuant to Education Code 48290-48296.
 - iii. The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student's truancy.
 - iv. The student may be subject to arrest or held in temporary custody by a probation officer, a peace officer, a school administrator or designee, or attendance supervisor or designee pursuant to Education Code 48264 if found away from home and absent from school without a valid excuse.
- b. The student and, as appropriate, the student's parent/guardian may be requested to attend a meeting with a school counselor or other school designee to discuss the root causes of the attendance issue and develop a joint plan to improve the student's attendance. (Education Code 48264.5)
- c. The Superintendent, attendance supervisor, or designee may notify the district attorney and/or probation officer of the student's name and the name and address of the student's parents/guardians. (Education Code 48260.6)

2. Second truancy, 6 (3 additional) unexcused absences

- a. An appropriate district staff member shall make a conscientious effort to hold at least one School Attendance Review Team (SART) conference with the student and the student's parent/guardian by communicating with the parent/guardian at least once using the most cost-effective method possible, which may include email or a telephone call. (Education Code 48262)
- b. The student may be given a written warning by a peace officer. A record of that warning may be kept at the school for not less than two years or until the student graduates or transfers from the school. If the student transfers, the record may be forwarded to the new school. (Education Code 48264.5)
- c. The Superintendent or designee may notify the district attorney and/or probation officer when the student continues to be classified as a truant after the parents/guardians have been notified in accordance with item #1b above. (Education Code 48260.6)

3. Third truancy (habitual truancy), 9 (3 additional) unexcused absences

Following the SART meeting, if absences continue, a student may be referred to the district's School Attendance Review Board (SARB) process.

- a. A student who is habitually truant may be referred to, and required to attend, a SARB program, a truancy mediation program at the district level. (Education Code 48263, 48264.5)
- b. Upon making a referral to the SARB, the Superintendent, attendance supervisor, or other person designated to make the referral shall provide the student, the student's parent/guardian, and SARB with documentation of the interventions undertaken at the school. The attendance supervisor or designee shall also provide the student and the student's parent/guardian, in writing, the name and address of the SARB and the reason for the referral. This notice shall indicate that the student and the student's parent/guardian shall be required to attend this meeting. (Education Code 48263)

4. Chronic truancy (unexcused absence for 10 percent of school days)

- a. The Superintendent or designee shall ensure that the student's parents/guardians are offered language-accessible support services to address the student's truancy.
- b. If a chronically truant student is at least age six years and is in any of grades K-8, the Superintendent or

designee shall notify the student's parents/guardians that failure to reasonably supervise and encourage the student's school attendance may result in the parent/guardian being found guilty of a misdemeanor pursuant to Penal Code 270.1.

Policy 5113.12: District School Attendance Review Board

Status: DRAFT

Original Adopted Date: 10/01/2017

The Governing Board recognizes that poor school attendance and behavior problems negatively impact student achievement and put students at greater risk of dropping out of school. The Superintendent or designee shall establish a comprehensive and integrated system for the early identification of attendance problems and shall implement strategies to encourage students' attendance. After other interventions have been exhausted, students with a pattern of unexcused absences may be referred to a school attendance review board (SARB), in accordance with applicable law, in order to receive intensive guidance and assistance.

The Superintendent or designee shall collaborate with the SARB and appropriate community agencies, including, but not limited to, law enforcement agencies, child welfare agencies, and health services, to provide school-based and/or community-based interventions tailored to the specific needs of the student.

The Board shall appoint members to the district's SARB, who may include a parent/guardian as well as representatives of various agencies including, but not limited to, school districts; the county probation department; the county welfare department; the County Superintendent of Schools; law enforcement agencies; community-based youth service centers; school guidance personnel; child welfare and attendance personnel; school or county health care personnel; school, county, or community mental health personnel; the county district attorney's office; and the county public defender's office. (Education Code 48321)

The district's SARB shall provide support to improve student attendance and behavior through proactive efforts focused on building positive school environments and improved school connectedness, early identification and immediate intervention to re-engage students with poor attendance or behavior, and intensive intervention with students and families to address severe or persistent attendance or behavior issues.

The district's SARB shall operate in accordance with Education Code 48320-48325, the Brown Act (Government Code 54950-54963), and the bylaws of the SARB.

Regulation 5113.12: District School Attendance Review Board

Status: DRAFT

Original Adopted Date: 10/01/2017

Upon receiving a referral of a student with attendance and/or behavior problems, a designated member of the school attendance review board (SARB) shall review the case and may meet with school personnel to determine whether the school has provided sufficient information about the student's attendance record or behavior. If the referral is complete and is an appropriate matter for the SARB to consider, the SARB chairperson shall provide written notification to the student's parents/guardians stating the reasons a referral has been made, explaining the SARB process, advising whether additional information is needed, and describing school-level interventions that have previously been attempted.

The SARB shall meet with the student and his/her parents/guardians, give them an opportunity to present their understanding of the problem, and discuss the school and/or community resources appropriate for the student's circumstances.

Any SARB meeting to consider matters related to an individual student shall be held in closed session unless the parent/guardian requests, in writing, that the meeting be held in open session.

The SARB shall have access to relevant student records, but shall not provide access to others without written consent of the student's parent/guardian. (Education Code 49076)

For the limited purpose of making a proper disposition of the referral of a student, the SARB may issue subpoenas pursuant to Code of Civil Procedure 1985-1997 or may request the juvenile court to issue subpoenas to require the attendance of the student, parents/guardians or other person having control of the student, the school authority referring the student, or any other person who has pertinent or material information concerning the matter. The SARB shall not issue any subpoena that includes a request for production of written materials, but may request a juvenile court to issue such subpoena for the production of written materials. (Education Code 48263, 48321.5)

The SARB shall issue written directives stating the responsibilities of all persons involved, detailed resource referrals, and follow-up dates for the school's reports on the student's progress. The written directives shall include an agreement that the student will attend school or improve classroom behavior as applicable, and shall be signed by the student, his/her parents/guardians, the SARB chairperson, and the Superintendent or designee.

When referred by the SARB, a student may be assigned to a community day school or a county community school. (Education Code 1981, 48662)

At any time it deems proper, the SARB may require the student or his/her parents/guardians to furnish satisfactory evidence of participation in any available community services that the student or parents/guardians have been directed to use. (Education Code 48263)

Based on progress reports submitted by the school, the SARB may terminate the agreement upon the successful completion of the terms of the agreement, extend the time for completion of the agreement, or schedule another meeting with the student and his/her parents/guardians.

If the student's attendance or behavior problems cannot be resolved by the SARB, or if the student and/or the student's parents/guardians continually and willfully fail to respond to SARB directives or the services provided, the student or parents/guardians shall be referred to the appropriate agency, including law enforcement agencies when necessary. (Education Code 48263, 48290-48291)

Policy 5113.2: Work Permits

Status: DRAFT

Original Adopted Date: 06/01/1995 | **Last Revised Date:** 12/01/2020

The Governing Board recognizes that part-time employment can provide students with income, job experience, and valuable life skills and should be permitted to the extent that such employment does not interfere with a student's education. Before accepting any offer of employment, district students who are minors shall obtain work permits from the Superintendent or designee, regardless of whether the employment will occur when school is in session and/or not in session, unless otherwise exempted by law.

In determining whether to grant or continue a work permit, the Superintendent or designee shall consider whether employment is likely to significantly interfere with the student's schoolwork. Students granted work permits shall be required to demonstrate and maintain a 2.0 grade point average and satisfactory school attendance, except during periods of extended school closure due to an emergency as described in Education Code 49200 and the accompanying administrative regulation. On a case-by-case basis, the Superintendent or designee may approve a maximum work hour limit that is lower than the limit specified in law and administrative regulation.

Students with work permits may be exempted from attendance in a full-time day school provided they attend part-time classes. (Education Code 48230)

Work permits shall be limited to part-time employment as defined by law, except when the Superintendent or designee determines that circumstances warrant the granting of a permit for full-time employment.

Any student authorized to work full time when school is in session shall be enrolled in part-time continuation classes. A student age 14 or 15 who receives a permit to work full time shall also be enrolled in a work experience education program. (Education Code 49130, 49131, 49135)

Regulation 5113.2: Work Permits

Status: DRAFT

Original Adopted Date: 11/01/2004 | **Last Revised Date:** 12/01/2020

Before accepting employment, a student under the age of 18 who is subject to the state's compulsory attendance law, including a student who has not yet graduated from high school or has not received a certificate of proficiency, shall obtain a work permit.

The district may issue a permit authorizing employment while school is in session, including employment connected with a work experience education program pursuant to Education Code 51760-51769.5, to a student 14-17 years of age. The district also may issue a permit to any student 12-17 years of age to be employed during a regular school holiday, during a regular or specified occasional public school vacation, and when the student is exempt from compulsory school attendance pursuant to Education Code 48231 because the student arrived from another state within 10 days before the end of the school term. (Education Code 49111, 49113, 49160)

If a student has obtained an offer of employment in the entertainment industry, the student shall request a work permit from the California Department of Industrial Relations, Division of Labor Standards Enforcement, pursuant to Labor Code 1308.5 and 8 CCR 11752-11753.

A work permit shall not be required for a student who is not receiving pay or financial reimbursement for services rendered in volunteer services or educational purposes, is not in an employer-employee relationship in accordance with the Fair Labor Standards Act, is serving as an unpaid trainee or volunteer or in an in-school placement, and has submitted written parent/guardian permission. (5 CCR 10121)

In addition, a student shall not be required to obtain a work permit if the student is self-employed; is working at odd jobs such as yard work and babysitting in private homes where the student is not regularly employed; is a self-employed news carrier delivering newspapers to consumers on a regular route; is employed in agricultural, horticultural, viticultural, or domestic labor during non-school hours when the work is performed for or under the control of the parent/guardian and is performed upon or in connection with premises the parent/guardian owns, operates, or controls; or is otherwise exempted by law.

Persons Authorized to Issue Work Permits

The following individuals are authorized to issue a work permit to a student in the district: (Education Code 49110)

1. The Superintendent
2. An employee holding a services credential with a specialization in pupil personnel services or a certificated work experience education teacher or coordinator, when authorized by the Superintendent in writing
3. A principal, or another school administrator designated by the principal, provided that the principal or designee:
 - a. Provides a self-certification that the principal or designee understands the requirements of law for issuing a work permit
 - b. Does not issue a work permit to the principal's or designee's own child

If the person designated to issue work permits is not available and delay in issuing a permit would jeopardize a student's ability to secure work, the Superintendent may temporarily authorize another person to issue the permit. (Education Code 49110)

Application

The student's parent/guardian, foster parent, caregiver with whom the student resides, or residential shelter services provider shall file a written request for a work permit. (Education Code 49110)

The request for a work permit shall be submitted to the Superintendent or designee on a form approved by the California Department of Education (CDE).

If the student is applying for a full-time work permit, the student and the student's parent/guardian shall generally be

required to appear before, and submit the application to, the Superintendent or designee. (Education Code 49132)

In the event of an extended physical closure of the campus due to a natural disaster, pandemic, or other emergency, the required documentation, including signatures, may be collected electronically. In addition, if the application is for a full-time work permit, the student and parent/guardian shall not be required to appear in person before the Superintendent or designee if the completed application has been successfully submitted electronically and the student and parent/guardian have attended a video conference with the person issuing the work permit. (Education Code 49132, 49200)

Approval Process

The Superintendent or designee shall have discretion to determine whether or not to issue the work permit.

In determining whether to approve a work permit, the Superintendent or designee shall verify the student's date of birth, the type of work permit to be issued, and whether the student meets any other criteria established by the Governing Board. The Superintendent or designee may inspect the student's records and/or may confer with at least one of the student's teachers for evidence of satisfactory grades and school attendance and to determine whether the student possesses the motivation and maturity to maintain academic progress while working.

However, a work permit shall not be denied based on a student's grades, grade point average, or school attendance under either of the following circumstances: (Education Code 49120, 49200)

1. The student's school has been physically closed for an extended time due to a natural disaster, pandemic, or other emergency.
2. The student is applying for a work permit in order to participate in a government-administered employment and training program that will occur during the regular summer recess or vacation of the student's school.

Students shall not be approved to work in environments declared hazardous or dangerous for young workers or otherwise prohibited by child labor laws. (Labor Code 1290-1298; 29 CFR 570.33, 570.50-570.72)

The Superintendent or designee shall ensure that the requested work hours do not exceed the maximum work hours specified in law based on the student's age and whether the employment will occur while school is in session and/or not in session. (Education Code 49111, 49112, 49116; Labor Code 1391-1391.1; 29 CFR 570.35)

Full-time employment may be authorized for students 14-17 years of age in accordance with Education Code 49130-49135.

All work permits shall be issued on forms provided by or authorized by CDE. (Education Code 49117)

Each permit shall authorize work for a specific employer. Whenever a student changes employers, the student shall request a new permit.

The student may be issued more than one work permit if the student works concurrently for more than one employer, provided that the total number of hours worked does not exceed the total number of hours allowed by law and the district.

Whenever a work permit is issued by a principal or other designated school administrator, the principal or designee shall submit to the Superintendent a copy of each work permit issued, along with a copy of the application. (Education Code 49110)

The Superintendent or designee shall periodically inspect the grades and attendance records of students granted work permits to ensure maintenance of academic progress and any additional criteria established in Board policy.

Expiration of Work Permits

Work permits issued during the school year shall expire five days after the opening of the next succeeding school year. (Education Code 49118)

Before the work permit expires, a student may apply for a renewed work permit in accordance with the procedures specified in the section "Approval Process" above.

Revocation of Work Permits

The Superintendent or designee shall revoke a student's work permit whenever the Superintendent or designee determines that the employment is impairing the health or education of the student, any provision or condition of the permit is being violated, the student is performing work in violation of law, or any condition for the issuance of the permit no longer exists or never existed. (Education Code 49116, 49164; Labor Code 1300)

The Superintendent may revoke a work permit issued by a principal of a public or private school located within the district if the Superintendent becomes aware of any grounds upon which the student may be deemed ineligible for a work permit under law. (Education Code 49110)

Retention of Records

The Superintendent or designee shall retain a copy of the work permit application and the work permit until the end of the fourth year after the work permit was issued. (5 CCR 16026)

Policy 5116.1: Intradistrict Open Enrollment

Status: DRAFT

Original Adopted Date: 11/01/2008 | **Last Revised Date:** 12/01/2019

Grades K-5

Assignment of Students to Schools

The Board of Education regards as a high priority the education of students in facilities which are sufficient and appropriate for the instructional program, and desires to provide options for enrollment that meet the diverse needs, potentials and interests of the district's students. Assignment of students to schools will be according to Board-established attendance priorities and school enrollment capacities, which have been designated according to factors such as available classroom space, proximity of students' homes to schools, neighborhood identity, and programmatic and long range planning needs of the district.

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of their residence within the district. (Education Code 35160.5)

The Board shall annually review this policy. (Education Code 35160.5, 48980)

Enrollment Priorities

No student currently residing within a school's attendance area shall be displaced by another student transferring from outside the attendance area. (Education Code 35160.5)

Enrollment in each school or program in the district shall be subject to each school's or program's capacity.

A random, unbiased process shall be employed for selection of students to enroll in any school where the number of applications received for enrollment in that school exceeds the school's capacity. The selection process shall prohibit an evaluation of whether any student should be enrolled based on his/her academic or athletic performance.

The Board has the authority to maintain a wholesome and educationally sound balance of student populations among district schools and shall take such balances into account in approving or denying intradistrict transfer applications. Existing entrance criteria for specialized schools or programs may be employed so long as such criteria are uniformly applied to all applicants.

A student may be assigned to a school or program if the student requires a legally mandated program or accommodation which is available at that school or program. A student may be assigned to a school or program for disciplinary reasons or for the protection of the health and safety of that student or other students or employees of the district.

Regulation 5116.1: Intradistrict Open Enrollment

Status: DRAFT

Original Adopted Date: 11/01/2008 | **Last Revised Date:** 12/01/2019

According to Board of Education policy, students within the district will be assigned considering the best interest of the student and the best use of the resources of the district.

All students eligible for grades 9-12 will be assigned to Albany High School or MacGregor High School, and will be enrolled in classes appropriate to their needs as determined by the administration of the school.

All students eligible for grades 6-8 will be assigned to Albany Middle School and will be enrolled in classes appropriate to their needs as determined by the administration of the school.

All students eligible for grades Transitional Kindergarten (TK) will be assigned according to the following criteria in the following order:

1. Students will be assigned to classes appropriate to their needs to provide the most effective instructional program.
2. Students will be assigned to the school that corresponds to the parents' preference as space is available.

The site principal shall assign all students to appropriate grades, classes, or groups. This action shall be based on consideration of the needs of the student as well as the administration of the school.

Open Enrollment

1. The date for distribution and receipt of intradistrict open enrollment information (Grades K-5) will be set by the Superintendent or designee by January 31 of each year.
2. The district will distribute to every enrolled student the intradistrict open enrollment information and application. The open enrollment information will include the dates for distribution and deadline for return as set by the Superintendent or designee by January 31 of each year.
3. The Superintendent or designee computes the school's capacity. Each principal also computes enrollment, based on a survey of students' plans for the following year.
4. Enrollment of students new to the district, including incoming kindergarten students, will also begin during the open enrollment period and are included as part of the projected enrollment. The deadline for open enrollment requests for students new to the district will be the same as that for continuing students.
5. All students who currently attend any school (not including students whose parents/guardians' residences are located outside the district) will be considered residents of that school. That is, they will not be displaced from that school by anyone else. The only exceptions would be:
 - a. If the student requires a legally mandated program not available at that school
 - b. For disciplinary reasons, or for the health and safety of the student or other students or employees
 - c. A student is retained, and the principals of two schools agree that it is best for the student to attend a new school in the following year
 - d. If other needs of the district are evident, such as the need to avoid creation of combination class(es)
6. If, after the survey and enrollment computations are made, there is unfilled capacity at any school, staff will designate the number of available seats to be filled by intradistrict transfer applicants at each grade level. Groups will be established with the following priorities:
 - a. Students who were displaced when they originally enrolled in the district during the current school year, and who wish to return to the school of their choice.
 - b. Siblings of students already enrolled in that school.

c. Intradistrict requests from students who were on a waiting list for the prior school year, who were not able to be placed in the school of their choice.

d. All other new intradistrict requests

7. If requests exceed capacity, a lottery will be held for the available seats, with each "priority group" having to be exhausted before the lottery for the next group is begun (in order to be included in the lottery, students newly enrolling in Albany will be required to have completed enrollment applications on file with the district).
8. Once available seats are filled, all others will be ranked on waiting lists (separate lists for each group), according to their lottery assignment from Item 6. All students will be notified in writing whether they are placed or are on a waiting list by June 30.

Those who accept this placement forfeit their residence rights to their original school, and can return only by application for an intradistrict transfer the following year in priority group 5.

9. Between August 1 and the beginning of school, staff will continue to refine enrollments, and offer places to students placed on waiting lists by the lottery. Students enrolling after the cut-off date may apply for intradistrict assignments for subsequent years.
 - a. A student on the waiting list is only offered a place once. If it is not accepted, the student's name is removed from the list. If staff is unable to reach the parent/guardian of a student on the waiting list, the student's name will remain on the list, but a slot will not be held. District staff will proceed to the next name on the list.
 - b. Places offered to parents after August 1 must be accepted or rejected within one calendar day, so that enrollment and placement can proceed.
-

Policy 5117: Interdistrict Attendance

Status: DRAFT

Original Adopted Date: 12/01/2015 | **Last Revised Date:** 06/01/2023

The Board recognizes that students who reside in one school district may wish to attend school in another school district and that such choices are made for a variety of reasons. Because of capacity issues within the district and due to limited resources, the Board will consider approving such transfers on a case-by-case basis through an interdistrict transfer agreement with another school district. In the case of a student wishing to transfer into Albany Unified School District (AUSD), the request will be considered when class enrollment or program availability will permit the attendance of an out-of-district student.

Those students who are admitted to Albany per our Interdistrict process will be embraced as Albany Unified students in the same way resident students are. This includes working with students to provide a warm sense of inclusion and providing support and interventions related to academics, attendance, and behavior to support student success.

The Superintendent or designee of the district shall review all requests for interdistrict attendance agreements. The Superintendent is authorized to grant or deny interdistrict attendance requests. The decision to admit out-of-district students is discretionary. When capacity exists, applications may be approved based on the following priorities:

- 1st Priority: Students whose parents/guardians are employees of the Albany Unified School District (must work a minimum of 10 hours per week).
- 2nd Priority: Students whose siblings are ongoing interdistrict transfer students; and to ensure educational continuity of students.
- 3rd Priority: Students who are grandchildren of individual(s) who live(s) within the boundaries of AUSD.
- 4th Priority: Students whose parents/guardians are employed by the City of Albany, (employed at least 10 hours per week).
- 5th Priority: Students whose parents/guardians have been business owners/operators within the City of Albany for a period of at least 1 month prior to their application.
- 6th Priority: All other applicants.

Notwithstanding these priorities, the Superintendent or designee may grant a transfer, when the parents/guardians provide evidence of extraordinary circumstances warranting a transfer.

The Board believes in educational continuity and feels that an interdistrict transfer student, once admitted, should not be exited except for violation of their contract or under extraordinary circumstances. The Superintendent or designee may deny applications for interdistrict transfers due to space limitations or other nondiscriminatory reasons. The Superintendent or designee may also revoke an interdistrict transfer permit for nondiscriminatory reasons.

The parent/guardian of a student who is denied a transfer request pursuant to Education Code [46600](#) - [46611](#) shall receive timely notice, in accordance with law, regarding the process for appeal to the County Board of Education.

Students who have been expelled from other school districts may not be admitted to AUSD on interdistrict attendance agreements during the period of their expulsions. Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials while expulsion proceedings are pending, or during the term of the expulsion.

Regulation 5117: Interdistrict Attendance

Status: DRAFT

Original Adopted Date: 07/01/2012 | **Last Revised Date:** 12/01/2019

General Information

Requests for interdistrict permits, both incoming and outgoing, shall be submitted to the employee in charge of interdistrict permit requests and reviewed annually by the Superintendent or designee. For transfer into the district, the student and parent/guardian must provide a release from the district of residency and once admitted must sign an Interdistrict Attendance Agreement annually with Albany Unified School District (AUSD). (See Exhibit 5117) The Interdistrict Attendance Agreement must be signed by both the student (middle and high school) and the parent/guardian.

Each interdistrict permit request will be judged based on priorities detailed in BP 5117. All factual information and supporting documentation submitted with the interdistrict permit request will be subject to verification. Any permit request containing or based upon false information will be denied or revoked, and the parent/guardian responsible may will be referred to the appropriate legal authorities. Applications for interdistrict permits may be submitted at any time during the preceding school year for which the transfer is requested.

Requests for Interdistrict Attendance Permits into the District

1. The parent/guardian must first obtain approval for the student's transfer from the student's current district of residence on the appropriate form.
2. The Superintendent or designee may approve, deny and/or place on the waiting list requests for new interdistrict permits that are approved by the district of residence. AUSD will make every effort to provide written notification as to the decision to the parent/guardian and the student's district of residence in a timely fashion.
3. The Superintendent or designee may deny initial requests for interdistrict permits if the district's facilities are overcrowded at the relevant grade level and based on other non-arbitrary considerations.
4. If the request for transfer is approved, the district retains the right to determine the specific school to which the student will be assigned. However, the district will attempt to accommodate a parent/guardian's request for placement in a specific school site, subject to the priorities and policies established in AUSD's residency regulations.
5. If the request for transfer is denied, the parent/guardian will be notified in writing regarding the process for appeal to the County Board of Education. An appeal to the County Board of Education must be made within 30 days of the district's denial.
6. Educational continuity is important to AUSD in this process. Thus, once a student is admitted, pending approval from the student's district of residence, students will only need to apply for interdistrict permit renewal on transition years between schools, 5th to 6th grade, and 8th to 9th grade. Temporary interdistrict permits may be approved to allow a student to complete a school year when the parent/guardian has moved out of the district during the year, pending approval at the student's district of residence. Students who complete a school year on a temporary interdistrict permit and who wish to remain in the district must apply for a non-temporary interdistrict permit for the following year and will be considered along with all other applicants according to the priorities set in Board policy.

Revocation of Interdistrict Attendance Permits

Grounds for Revocation

Pursuant to Education Code 46600, the following are the terms and conditions under which an interdistrict permit may be revoked:

1. Determination by the district that the interdistrict permit request or supporting documentation was based upon false or fraudulent information.

2. Failure to comply with the requirements of the Interdistrict Attendance Agreement which include attendance and behavior standards.
3. Determination by the district that the conditions on which the interdistrict permit approval was based are no longer met. It is the responsibility of the parent/guardian to notify the district within 30 days if any of the conditions justifying the permit approval change. The student may be granted a temporary interdistrict permit, within the discretion of the Superintendent or designee, to complete the school year in the district with the approval of the new district of residence.
4. Determination by AUSD that the continuing presence of the student is not in the student's best educational interest, or will interfere with the needs of other students, or both.

The district will give 7 days notice to a parent/guardian prior to the revocation of an interdistrict permit. During that time, independent study work will be provided.

Request for Interdistrict Agreements Out of the District

Parents/guardians of students wishing to transfer out of the district shall complete an interdistrict permit request. When appropriate, the parent/guardian of the applicant should meet with the student's current school principal to discuss the reason for the permit request and obtain his/her signature on the application.

Applications will be approved or denied by the Superintendent or designee. Applicants will be notified in writing if the request is denied, and will be given the reason for the denial. Denials by the district may be appealed to the Alameda County Office of Education within 30 days of the district's final decision. Reasons for denial may include loss of district revenue due to the outgoing transfer of a student.

Applications that are approved by the district must also be approved by the requested district of attendance. Parents/guardians should advise AUSD of the final disposition of their request within five days of notification by the receiving district, or the Alameda County Office of Education in the case of an appeal.

Policy 5121: Grades/Evaluation Of Student Achievement

Status: DRAFT

Original Adopted Date: 11/01/2003 | **Last Revised Date:** 07/01/2016

The Governing Board believes that grades serve a valuable instructional purpose by helping students and parents/guardians understand performance expectations and identifying the student's areas of strength and those areas needing improvement. Parents/guardians and students have the right to receive course grades that represent an accurate evaluation of the student's academic performance.

The Superintendent or designee shall establish a uniform grading system that shall be applied to all students in that course and grade level. Teachers shall inform students and parents/guardians how academic performance will be evaluated in the classroom.

A teacher shall base a student's grades solely on the quality of the student's academic work and his/her mastery of course content based on district standards. Students shall have the opportunity to demonstrate this mastery through a variety of methods, including, but not limited to, tests, projects, portfolios, and/or class discussion as appropriate. Other elements that are not a direct measure of knowledge and understanding of course content, such as attendance, effort, student conduct, and work habits, shall not be factored into the academic grade but may be reported separately.

Whenever a student misses an assignment or assessment due to either an excused or unexcused absence, he/she shall be given full credit for subsequent satisfactory completion of the assignment or assessment.

Students in grades K-3 shall receive progress reports at the end of each grading period rather than letter grades.

At all grade levels, report cards may include reports of student progress on specific academic standards applicable to the course and grade level.

When reporting student performance to parents/guardians, teachers may add narrative descriptions, observational notes, and/or samples of classroom work in order to better describe student progress in specific skills and subcategories of achievement.

A report card for a student with a disability may contain information about his/her disability, including whether that student received special education or related services, provided that the report card informs parents/guardians about their child's progress or level of achievement in specific classes, course content, or curriculum. However, transcripts that may be used to inform postsecondary institutions or prospective employers of the student's academic achievements shall not contain information disclosing the student's disability.

A grade assigned by the teacher shall not be changed by the Board or the Superintendent except as provided by law, Board policy, or administrative regulation. (Education Code 49066)

The Superintendent or designee shall determine the methodology to be used in calculating students' grade point average (GPA), including the courses to be included within the GPA and whether extra grade weighting shall be applied to Advanced Placement, International Baccalaureate, honors, and/or concurrent postsecondary courses.

Regulation 5121: Grades/Evaluation Of Student Achievement

Status: DRAFT

Original Adopted Date: 07/01/2009 | **Last Revised Date:** 07/01/2016

The Superintendent or designee shall inform teachers of the district's policy regarding grading, including expectations that grades shall be based on factors that directly measure students' knowledge and skills in the content area and shall not include nonacademic factors.

Report cards displaying students' grades in each subject or course shall be distributed to parents/guardians at the end of each grading period. Parents/guardians shall be offered an opportunity to meet with their child's teacher(s) to discuss the grades and strategies to improve their child's performance.

Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report. (Education Code 49067)

For each student in grades 9-12, the Superintendent or designee shall maintain a transcript recording the courses taken, the term that each course was taken, credits earned, final grades, and date of graduation.

Grades for Academic Performance

For grades 4-12, grades for academic performance shall be reported for each grading period as follows:

A	(90-100%)	Outstanding Achievement	4.0 grade points
B	(80-89%)	Above Average Achievement	3.0 grade points
C	(70-79%)	Average Achievement	2.0 grade points
D	(60-69%)	Below Average Achievement	1.0 grade points
F	(0-59%)	Little or No Achievement	0 grade points
I		Incomplete	0 grade points

An Incomplete shall be given only when a student's work is not finished by the end of the grading period because of illness or other excused absence. If not made up within six weeks, the Incomplete shall become an F.

Grades for Physical Education

No grade of a student participating in a physical education class may be adversely affected due to the fact that the student, because of circumstances beyond his/her control, does not wear standardized physical education apparel. (Education Code 49066)

Student performance in high school physical education courses shall be based upon evaluation of the student's individual progress, attainment of goals in each instructional area, tests designed to determine skill and knowledge, and physical performance tests. (5 CCR 10060)

Grades for Citizenship and Work Habits

Any grades assigned for citizenship or work habits, such as effort or study skills, shall be reported as follows:

O	Outstanding
S	Satisfactory
N	Needs Improvement

Pass/Fail Grading

The Superintendent or designee may identify courses or programs for which students may, with parent/guardian permission, elect to earn a Pass or Fail grade instead of a letter grade.

Students who receive a Pass grade shall acquire the appropriate semester units of credit for the course. The grade shall not be counted in determining class rank, honors list, or membership in the California Scholarship Federation. Students who receive a Fail grade shall not receive credit for taking the course.

Repeating Classes

With the approval of the principal or designee, a student may repeat a course in order to raise his/her grade. Both grades received shall be entered on the student's transcript, but the student shall receive credit only once for taking the course. The highest grade received shall be used in determining the student's overall grade point average (GPA).

Withdrawal from Classes

A student who drops a course during the first six weeks of the grading period may do so without any entry on his/her permanent record card. A student who drops a course after the first six weeks of the grading period shall receive an F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances.

Effect of Absences on Grades

Teachers who choose to withhold class credit because of excessive unexcused absences shall so inform students and parents/guardians of such a possibility at the beginning of the school year or semester. When a student reaches the number of unexcused absences defined as excessive in Board policy, the student and parent/guardian shall again be notified of the district's policy regarding excessive unexcused absences.

The student and parent/guardian shall have a reasonable opportunity to explain the absences. (Education Code 49067)

If a student receives a failing grade because of excessive unexcused absences, the student's record shall specify that the grade was assigned because of excessive unexcused absences. (Education Code 49067)

Grades for a student in foster care shall not be lowered if the student is absent for any reason specified in Education Code 49069.5.

Grade Point Average

The Superintendent or designee shall calculate each student's GPA using the grade point assigned to each letter grade in accordance with the scale described in the section "Grades for Academic Performance" above. The grade points for all applicable coursework shall be totaled and divided by the number of courses completed. Pass/Fail grades shall not be included in the determination of a student's GPA.

When plus and minus designations are added to letter grades, they shall not be considered in determining GPA.

Policy 5123: Promotion/Acceleration/Retention

Status: DRAFT

Original Adopted Date: 12/01/2013 | **Last Revised Date:** 07/01/2019

The Governing Board expects students to progress through each grade level within one school year, demonstrating growth in meeting grade-level standards of student achievement.

To accomplish this growth, instruction shall be designed to accommodate the variety of ways that students learn and provide strategies and targeted interventions for addressing academic deficiencies as needed. Given that research does not support the long-term positive impact of retention in most cases, all other interventions should be thoroughly explored and retention should be utilized in very specific circumstances.

As early as possible, the Superintendent or designee shall identify students who should be retained or who are at risk of being retained at their current grade level as early as possible in the school year and as early in their school careers as practicable. Such students shall be identified at the following grade levels: (Education Code 48070.5)

1. Between grades 2 and 3
2. Between grades 3 and 4
3. Between grades 4 and 5
4. Between the end of elementary school and the beginning of the middle school (between grades 5 and 6)
5. Between the end of the middle school and the beginning of the high school (between grades 8 and 9)

Students between grades 2 and 3 and grades 3 and 4 shall be identified primarily on the basis of their level of proficiency in reading. Proficiency in reading, English language arts, and mathematics shall be the basis for identifying students between grades 4 and 5, between intermediate and middle school grades, and between middle school grades and high school grades. (Education Code 48070.5)

Students shall be identified for retention on the basis of failure to meet minimum levels of proficiency, as indicated by grades and the following additional indicators of academic achievement:

1. Report card standards or grades where applicable
2. California standardized tests.
3. Teacher documented achievement levels in reading, mathematics, and written expression
4. Site or district assessments

The district's decision to promote or retain a student may be appealed in accordance with AR 5123 - Promotion/Acceleration/Retention.

When any student in grades 2-9 is recommended for retention or is identified as being at risk for retention, the Superintendent or designee shall offer an appropriate program of direct, systematic, and intensive supplemental instruction to assist the student in meeting grade-level expectations. (Education Code 48070.5)

When high academic achievement far outside of the normal range is evident, the Superintendent or designee may recommend a student for acceleration to a higher grade level. The student's age and social emotional maturity level shall be taken into consideration in making a determination to accelerate a student.

Regulation 5123: Promotion/Acceleration/Retention

Status: DRAFT

Original Adopted Date: 03/01/2000 | **Last Revised Date:** 12/01/2013

Acceleration from Kindergarten to First Grade

Any student who meets the age eligibility requirement and has completed one year of kindergarten shall be admitted to first grade unless the parent/guardian and the Superintendent or designee agree that the student shall continue in kindergarten. (Education Code 48010, 48011)

A student who does not meet the age eligibility requirement may be admitted to first grade at the discretion of the Superintendent or designee and with the consent of the parent/guardian upon determination that the student is ready for first-grade work, subject to the following minimum criteria: (Education Code 48011; 5 CCR 200)

1. The student is at least five years of age.
2. The student has attended a public school kindergarten for a long enough time to enable school personnel to evaluate his/her ability.
3. The physical development and social maturity of the student are consistent with that of a first graders .
4. The parent/guardian of the student has filed a written statement with the district approving the placement in first grade.

Continuation in Kindergarten

Whenever the Superintendent or designee and the parents/guardians agree that a student shall continue in kindergarten for an additional year, the Superintendent or designee shall secure an agreement, signed by the parent/guardian, stating that the student shall continue in kindergarten for not more than one additional school year. (Education Code 46300, 48011)

The Superintendent or designee shall not approve a student's continuation in kindergarten until the student has been enrolled in kindergarten for close to one school year.

Retention at Other Grade Levels

If a student is identified as performing below the minimum standard for promotion to the next grade level based on the indicators specified in Board policy, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement. (Education Code 48070.5)

Given the clear research data that retention rarely has benefits that last beyond three years and often has many negative impacts, including greatly increasing a student's chance of dropping out of high school, retention should only be considered in very specific circumstances.

The retention recommendation will be made with a Retention Conference Team which will be facilitated by an administrator and include a current teacher, a teacher from the next grade up, a counselor, psychologist, or mental health professional, and any other team member that the administrator feels would be important to get a well-rounded perspective on the student. The Retention Conference Team will include all of the information above, as well as a social emotional assessment by the mental health professional including a classroom observation and an interview with the student, with the goal of assessing the social emotional impact of being retained. The parent will also be consulted with as part of the information-gathering process. The data collected from the following sources will be reviewed as well as additional observational and interview-based information will be considered when making a recommendation to the school administrator who will make the final decision.

1. Report card standards or grades where applicable
2. California standardized tests.

3. Teacher documented achievement levels in reading, mathematics, and written expression
4. Site or district assessments

Acceleration

The decision whether to accelerate a student, thus skipping a grade level, will be made with an Acceleration Conference Team which will be facilitated by an administrator and include a current teacher, a teacher from the next grade up, a counselor, psychologist, or mental health professional, and any other team member that the administrator feels would be important to get a well-rounded perspective on the student. The Acceleration Conference Team will include all of the information above, as well as a social emotional assessment by the mental health professional including a classroom observation and an interview with the student, with the goal of assessing the social emotional impact of being promoted. The parent will also be consulted with as part of the information-gathering process. The data collected from the following sources will be reviewed as well as additional observational and interview-based information will be considered when making a recommendation to the school administrator who will make the final decision.

1. Report card standards or grades where applicable
2. California standardized tests.
3. Teacher documented achievement levels in reading, mathematics, and written expression
4. Site or district assessments

Process:

1. A Retention Conference Team or Acceleration Conference Team should be convened that includes the school psychologist, the current teacher, a grade level teacher of the next level, the administrator, and other relevant staff.
2. The school psychologist or other qualified individual performs a classroom observation and interviews the student to assess for emotional impact/maturity, taking into consideration long-term impact.
3. Data should be gathered as referenced in the Board Policy 5123.
4. The conference team convenes to review data and discuss academic and social-emotional impact.
5. A report is made that includes the recommendation.

Appeal Process

Whenever a student's parent/guardian appeals the school team's decision as communicated by the principal or designee to promote or retain a student, the burden shall be on the parent/guardian to show why the school team's decision should be overruled. (Education Code 48070.5)

To appeal a teacher's decision, the parent/guardian shall submit a written request to the Superintendent or designee specifying the reasons that the school team's decision should be overruled. The appeal must be initiated within 10 school-days of the determination of retention or promotion.

Within 30 days of receiving the request, the Superintendent or designee shall determine whether or not to overrule the school team's decision. Prior to making this determination, the Superintendent or designee may meet with the parent/guardian and/or members of the team. If the Superintendent or designee determines that the parent/guardian has overwhelmingly proven that the school team's decision should be overruled, he/she shall overrule the school team's decision.

Policy 5125: Student Records

Status: DRAFT

Original Adopted Date: 03/01/2009 | **Last Revised Date:** 05/01/2018

The Governing Board recognizes the importance of keeping accurate, comprehensive student records as required by law. These regulations shall ensure the rights of authorized persons to have timely access to student records while maintaining the confidentiality of student records consistent with state and federal law.

The Superintendent or designee shall designate a certificated employee to serve as custodian of records with responsibility for student records at the district level. The Superintendent or designee shall not compile a list, registry, or database based on students' national origin, ethnicity, or religious belief, practice, or affiliation, nor shall he/she disclose student information to federal government authorities for the purpose of compiling such a list, registry, or database for purposes of immigration enforcement. Such information may only be compiled or exchanged with other local, state, or federal agencies if the information is aggregated and is not personally identifiable. (Government Code 8310.3)

Student Records from Social Media

The Superintendent or designee may gather and maintain information from the social media of any district student, provided that the district first notifies students and parents/guardians about the proposed program, offers an opportunity for public comment at a regularly scheduled Board meeting, and gathers only information that directly pertains to school safety or student safety. (Education Code 49073.6)

Contract for Digital Storage, Management, and Retrieval of Student Records

The Superintendent or designee may enter into a contract with a third party for the digital storage, management, and retrieval of student records and/or to authorize a third party provider of digital software to access, store, and use student records, provided that the contract meets the requirements of Education Code 49073.1 and other applicable state and federal laws.

Exhibit 5125.1-E(1): Release Of Directory Information

Status: DRAFT

Original Adopted Date: 07/01/2005 | **Last Revised Date:** 05/01/2018

**PARENT/GUARDIAN NOTICE
RELEASE OF DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Albany Unified School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include this type of information from your child's education records in certain school and/or district publications. Examples include:

- A playbill, showing your child's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA), as amended, to provide military recruiters, upon request, with students' names, addresses, and telephone listings, unless parents/guardians have advised the district that they do not want their child's information disclosed without their prior written consent.

The Superintendent or designee shall provide epinephrine auto-injectors to school nurses or other employees who have volunteered to administer them in an emergency and have received training. The school nurse, or a volunteer employee when a school nurse or physician is unavailable, may administer an epinephrine auto-injector to provide emergency medical aid to any person suffering, or reasonably believed to be suffering, from potentially life-threatening symptoms of anaphylaxis at school or a school activity. (Education Code 49414)

The principal or designee at each school may designate one or more volunteers to receive initial and annual refresher training, which shall be provided by a school nurse or other qualified person designated by a physician and surgeon authorized pursuant to Education Code 49414 and shall be based on the standards developed by the Superintendent of Public Instruction (SPI). In determining whether to make this medication available, the Superintendent or designee shall evaluate the emergency medical response time to the school and determine whether initiating emergency medical services is an acceptable alternative to providing an opioid antagonist and training personnel to administer the

medication. (Education Code 49414.3)

When available at the school site, the school nurse shall provide emergency naloxone hydrochloride or another opioid antagonist for emergency medical aid to any person exhibiting potentially life-threatening symptoms of an opioid overdose at school or a school activity. (Education Code 49414.3)

A school may accept gifts, grants, and donations from any source for the support of the school in carrying out the requirements of Education Code 49414.3, including, but not limited to, the acceptance of the naloxone hydrochloride or another opioid antagonist from a manufacturer or wholesaler. (Education Code 49414.3)

The Superintendent or designee shall maintain records regarding the acquisition and disposition of naloxone hydrochloride or another opioid antagonist for a period of three years from the date the records were created. (Business and Professions Code 4119.8)

Policy 5141.27: Food Allergies/Special Dietary Needs

Status: DRAFT

Original Adopted Date: 03/01/2007 | **Last Revised Date:** 08/01/2013

The Board recognizes that creating an environment that is sensitive to the issues surrounding students' health is an essential aspect of full access for students with food allergies, and in particular life-threatening food allergies. Thus, this policy is created with the specific goal in mind to reduce the exposure of students with life threatening allergies, and in particular peanut or nut allergies.

The Board also encourages families of students with any life-threatening food allergies to work with school staff to develop a safety protocol appropriate for their child's medical needs. The ultimate goal is to keep our students with life-threatening food allergies safe and school and to facilitate their full participation in the school environment.

Food Provided by AUSD Food Services

There will be no Peanuts or Nut Derivative Products to the best of our ability in any of the food items served or available in meals prepared or served by the District's Nutrition Services Department. Students with other food allergies will be provided with alternate food upon written request.

While we can inform our parents that peanut/nut derivative products will not be included in our school lunch menus to the best of our ability, we cannot apply the same assurance to items served during after school programs, classroom celebrations or field trips when the food products are not supplied by our central nutrition services department.

School Community Awareness

We encourage PTA's, parent groups, and school staff to be mindful of common life-threatening allergies, and in particular peanut products when planning events where food will be served. Every effort should be made to provide food that is nut free, and free of other allergens tailored to the student participants.

Parents/Guardians or Students with Food Allergies

We also ask parents/guardians to assist the school in the prevention, care, and management of their child's food allergies and reactions. This begins with notification of the school in writing and facilitating the disclosure of relevant information from their children's medical professionals with the school staff so a safety plan can be developed for the school environment, where necessary. Parents are encouraged to foster independence on the part of their children, based on their developmental level, so that they can make healthy choices about the foods they consume.

Regulation 5141.27: Food Allergies/Special Dietary Needs

Status: DRAFT

Original Adopted Date: 03/01/2007 | **Last Revised Date:** 12/01/2014

The following guidelines are designed to reduce the risk of harm to students with exposure to potentially life-threatening food allergies on school campuses, during school hours. It is the district's goal to provide a school setting that is prepared to respond to medical emergencies associated with allergy-related episodes while maintaining a safe, positive educational environment for all students.

Impact on the School

The District anticipates the enrollment and attendance of students managing allergy symptoms and the potential for anaphylaxis. Students with undiagnosed food allergies may experience their first allergic reaction at school and it is the District's aim to be prepared to properly respond to such an event. When a physician assesses that a child's food allergy will result in anaphylaxis, the child's condition meets the definition of "disability" and is covered under the Federal Americans with Disability Act (ADA), Section 504 of the Rehabilitation Act of 1973, and may be covered under Individuals with Disabilities Education Act (IDEA) if the allergy management affects the student's ability to make educational progress.

Family Responsibility

It is the responsibility of the parent or guardian to:

1. Notify the school of their student's allergies and provide updates as necessary. Updates include but are not limited to the onset of any new allergies, the worsening or improvement of existing allergies, changes in medication type, and changes in dosage.
2. Help to establish a core team that includes but is not limited to, the student's physician, school principal, district nurse, teacher, counselor, and food service manager to implement a plan that addresses the child's needs within the parameters of the school environment. Parents/Guardians must also notify supervisors of before and after school activities regarding their student's allergies. A detailed food allergy action plan approved by the student's physician should also be included and maintained in the student's educational record and distributed to before and after school program supervisors by the parent/guardian.
3. Annually provide written medical documentation, instructions, and prescribed medications, using the food allergy action plan as a guide. Work with the school regarding the location(s) of your student's EpiPen if prescribed. A photo of the child may also be included. If there are changes in the student's medical condition or related medication (e.g. type, dosage, etc.), the parent/guardian must report the change at the time of the new diagnosis or prescription is provided by the student's physician. Parent/guardians should not wait for annual reporting to report such changes.
4. Provide the child with a medic-alert bracelet identifying the life-threatening allergy when appropriate. The bracelet should be worn at all times while at school or school-sponsored events.
5. Replace expired and/or used medications as per the food allergy action plan.
6. Educate the child in the self-management of the food allergy, including: safe and unsafe foods, strategies for avoiding exposure to unsafe foods, symptoms of allergic reactions, how to communicate an allergy related problem, how to read food labels (age appropriate). Instruct the student to not accept food from other students.
7. Review guidelines/procedures with the core team members as soon as possible following a reaction.

Student Responsibility

It is the responsibility of the student to:

1. Take a proactive role in the care and management of his/her food allergies (age appropriate).
2. Not accept food items from or trade food items with other students.

3. Avoid food items with unknown ingredients or known allergens.
4. Immediately notify any teacher, administrator, assistant, school nurse, or other school employee of possible exposure to food allergens.
5. Wear a medic-alert bracelet at all times if appropriate.

School Responsibility

It is the responsibility of school personnel to:

1. Keep informed of and follow all applicable federal laws, including ADA, IDEA, Section 504, and FERPA, as well as all state laws and district policies/guidelines that may apply.
 2. Include food-allergic students in school activities. Students shall not be excluded from school activities solely based on their food allergies. Situations that include food, such as snack or lunch times should be designed with the goal of keeping students with life-threatening food allergies safe and facilitating full inclusion of students with life-threatening food allergies in school activities and social engagement.
 3. Coordinate with parents/guardians to identify a core team that includes but is not limited to, the child's physician, school principal, district nurse, teacher, counselor, and food service manager to work with the parents/guardians and student (age appropriate) to establish a food allergy action plan specific to that child. Changes will be made as necessary with team participation.
 4. Consult with local emergency management personnel to establish and/or update emergency protocols and drill procedures as needed.
 5. Educate staff who interact with students with food allergies annually, including training on EpiPen use.
 6. Identify school personnel who are properly trained to administer medications.
 7. Coordinate with the office staff to assure that medications are stored properly (easily accessible, secure location such as the main office) and that an emergency kit is readily available and contains a physician's standing order for epinephrine, as well as that the school's prescription for epinephrine is stocked.
 8. Promote understanding, compassion, and inclusion.

Policy 5141.3: Health Examinations

Status: DRAFT

Original Adopted Date: 09/01/1988 | **Last Revised Date:** 11/01/2010

The Board of Education recognizes that periodic health examinations of students may lead to the detection and treatment of conditions that impact learning. Health examinations also may help in determining whether special adaptations of the school program are necessary.

In addition to verifying that students have complied with legal requirements for a comprehensive health screening, an oral health assessment and immunizations before enrolling in school, the district shall administer tests for vision, hearing and scoliosis as required by law.

All students who participate as cheerleaders, song leaders, or athletes in organized competitive sports shall first undergo a current medical examination and submit documentation of medical clearance to the district. Upon sustaining an injury or serious illness, a student may be required to have another examination before participating further. This requirement does not apply to participants in occasional play day or field day activities.

The Superintendent or designee shall ensure that staff employed to examine students exercise proper care of each student and that examination results are kept confidential. Records related to these examinations shall be available only in accordance with law.

Regulation 5141.3: Health Examinations

Status: DRAFT

Original Adopted Date: 06/01/1996 | **Last Revised Date:** 12/01/2022

Cautionary Notice: Government Code 17581.5 relieves districts from the obligation to perform specified mandated activities, including scoliosis screening, when the Budget Act does not provide reimbursement during that fiscal year. As a result, districts should determine whether the Budget Act for the current fiscal year allows for the suspension of these requirements, and if so, suspend certain provisions of the following administrative regulation related to scoliosis screening. For more information, the district should consult CSBA's District and County Offices of Education Legal Services or district legal counsel.

The principal at each school shall notify parents/guardians of the rights of students and parents/guardians related to health examinations. (Education Code 48980; 20 USC 1232h)

A parent/guardian may annually file with the principal a written statement withholding consent to the child's physical examination. Any such student shall be exempt from any physical examination but shall be subject to exclusion from attendance when contagious or infectious disease is reasonably suspected. (Education Code 49451; 20 USC 1232h)

Vision Tests

Each student's vision shall be appraised, by the school nurse or other personnel authorized under Education Code 49452, during the kindergarten year or upon first enrollment or entry in a district elementary school and subsequently in grades 2, 5, and 8. However, a student who is tested upon first enrollment or entry in the district in grade 4 or 7 shall not be required to be appraised in the next immediate year. (Education Code 49455)

The vision appraisal shall include tests for visual acuity, including near vision. Male students shall also be tested once for color vision in grade 1 or later and the results of the appraisal shall be entered in the student's health record. (Education Code 49455)

Appraisal of a student's vision may be waived under either of the following conditions: (Education Code 49455)

1. The student's parent/guardian requests a waiver and presents a certificate from a physician/surgeon, physician assistant, or optometrist showing the results of an examination of the student's vision, including visual acuity and, in male students, color vision.
2. The student's parents/guardians file with the principal a written statement that they adhere to the faith or teachings of any well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles depend for healing upon prayer in the practice of their religion.

Visual defects or any other defects found as a result of the vision examination shall be reported to the parent/guardian with a request that remedial action be taken to correct or cure the defect. The report of a visual defect, if made in writing, shall be made on a form prescribed by the Superintendent of Public Instruction. The report shall not include a referral to any private practitioner. However, the student may be referred to a public clinic or diagnostic and treatment center operated by a public hospital or by the state, county, or city department of public health. (Education Code 49456)

In addition to the vision appraisals described above, the school nurse and/or classroom teacher shall continually and regularly observe students' eyes, appearance, behavior, visual performance, and perception that may indicate vision difficulties. (Education Code 49455)

Eye Examinations for the Purpose of Eyeglasses

In addition to the vision appraisals described above, the district may enter into a memorandum of understanding with a nonprofit eye examination provider, including a mobile provider, to provide noninvasive eye examinations at a district school exclusively for the purpose of providing eyeglasses. (Education Code 49455.5)

Prior to any eye examination, the school shall notify parents/guardians of the upcoming eye examination and include a form that allows them to opt their child out of the examination. Parents/guardians who have submitted a general opt-out written statement in accordance with Education Code 49451 are deemed to have opted out. (Education Code 49455.5)

Parents/guardians whose child receives an eye examination shall be provided a report by the provider in accordance with Education Code 49456. (Education Code 49455.5)

Hearing Tests

The Superintendent or designee shall provide for the administration of hearing tests to district students by personnel authorized to conduct such testing pursuant to Education Code 49452 and 49454 and in accordance with the procedures specified in 17 CCR 2951.

Each student shall be given a hearing screening test at the following times: (17 CCR 2951)

1. Kindergarten or grade 1
2. Grade 2
3. Grade 5
4. Grade 8
5. Grade 10 or 11
6. Upon first entry into the California public school system

Each student enrolled in a special education program, other than those enrolled because of a hearing problem, shall be given a hearing test when enrolled in the program and every third year thereafter. Hearing tests may be given more frequently as needed, based on the individualized education program team's evaluation of the student. (17 CCR 2951)

A follow-up hearing threshold test shall be administered to any student who fails to respond to any of the required frequencies in the screening test or is otherwise determined to need further evaluation. (17 CCR 2951)

The Superintendent or designee shall provide written notification of test results to the parents/guardians of any student who fails the hearing tests. When the test results fall within the levels specified in 17 CCR 2951 or there is evidence of pathology, such as an infection of the outer ear, chronic drainage, or a chronic earache, the notification shall include a recommendation that a further medical and audiological evaluation be obtained. (17 CCR 2951)

The dates and results of all screening tests and copies of threshold tests shall be included in the student's health records. (17 CCR 2951)

The principal or designee shall prepare an annual report of the school hearing testing program, using forms provided by the Department of Health Services, with copies to the Superintendent and the County Superintendent of Schools. (17 CCR 2951)

Scoliosis Screening

Each female student in grade 7 and each male student in grade 8 shall be screened for scoliosis. (Education Code 49452.5)

The parent/guardian of any student suspected of having scoliosis shall receive a notice which includes an explanation of scoliosis and describes the significance of treatment at an early age. This notice shall also describe the public services available for treatment and include a referral to appropriate community resources. (Education Code 49452.5)

Type 1 Diabetes Information

The Superintendent or designee shall provide parents/guardians of children enrolled in elementary school for the first time, or with the annual notifications pursuant to Education Code 48980, an information sheet developed by the California Department of Education (CDE) regarding type 1 diabetes as specified in Education Code 49452.6.

Policy 5141.31: Immunizations

Original Adopted Date: 11/01/2000 | **Last Revised Date:** 12/01/2020

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Governing Board shall cooperate with state and local public health agencies to encourage and facilitate immunization of all district students against preventable diseases.

Each student enrolling for the first time in a district school, preschool, or child care and development program or enrolling in or advancing to grade 7 shall present an immunization record from any authorized private or public health care provider certifying that the student has received all required immunizations in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.

Transfer students shall be requested to present immunization records upon registration at district schools if possible.

The Superintendent or designee may arrange for an authorized health care provider to administer immunizations at school to any student whose parent/guardian has consented in writing. At the beginning of the school year, parents/guardians shall be notified of their right to provide consent for the administration of an immunization to their child at school. (Education Code 48980, 49403)

Regulation 5141.31: Immunizations

Status: DRAFT

Original Adopted Date: 11/01/2010 | **Last Revised Date:** 12/01/2020

Required Immunizations

Upon a student's registration at a district school, the Superintendent or designee shall provide the student's parents/guardians a written notice summarizing the state's immunization requirements.

The Superintendent or designee shall not unconditionally admit any student to a district school, preschool, or child care and development program for the first time nor admit or advance any student to grade 7, unless the student has been fully immunized. The student shall present documentation of full immunization, in accordance with the age/grade and dose required by the California Department of Public Health (CDPH), against the following diseases: (Health and Safety Code 120335; 17 CCR 6025)

1. Measles, mumps, and rubella
2. Diphtheria, tetanus, and pertussis (whooping cough)
3. Poliomyelitis (polio)
4. Hepatitis B
5. Varicella (chickenpox)
6. Haemophilus influenza type b (Hib meningitis)
7. Any other disease deemed appropriate by CDPH

However, full immunization against hepatitis B shall not be a condition by which the Superintendent or designee shall admit or advance any student to grade 7. (Health and Safety Code 120335)

A student who qualifies for an individualized education program (IEP), unless otherwise exempt, shall be fully immunized in accordance with Health and Safety Code 120335 and this regulation. However, the district shall continue to implement the student's IEP and shall not prohibit the student from accessing any special education and related services required by the student's IEP regardless of whether the student is fully immunized. (Health and Safety Code 120335)

School personnel shall record information for each student regarding all doses of required immunizations and the status of all requirements in accordance with 17 CCR 6070. The school records shall be based on the student's immunization record provided by the student's health care provider, from the student's previous school immunization record, or through the California Immunization Registry (CAIR). (17 CCR 6070)

Exemptions

Exemption from one or more immunization requirements shall be granted under any of the following circumstances:

1. A medical exemption is submitted using the standardized form developed by CDPH and transmitted using CAIR which includes, but is not limited to, a description of the medical basis for which the exemption for each individual immunization is sought and whether the medical exemption is permanent or temporary. (Health and Safety Code 120372)

A student who has a medical exemption issued prior to January 1, 2020 shall be allowed to continue enrollment until the next grade span, except that after July 1, 2021, a student may not be admitted or advanced to grade 7 unless the student has been immunized or a medical exemption form filed as stated above. (Health and Safety Code 120370)

A temporary exemption shall not exceed one year, and all medical exemptions shall not extend beyond the grade span. (Health and Safety Code 120372)

If a student's medical exemption is revoked by CDPH on the basis that the exemption does not meet

applicable criteria for medical exemptions, the student shall continue in attendance and, within 30 calendar days of the revocation, commence the immunization schedule required for conditional admittance pursuant to 17 CCR 6050, as described below. (Health and Safety Code 120372)

The student's parent/guardian may appeal a revocation to the Secretary of California Health and Human Services. If a revocation is appealed, the student shall continue in attendance and shall not be required to commence the immunization schedule required for conditional admittance provided the appeal is filed within 30 calendar days of the revocation. (Health and Safety Code 120372, 120372.05)

2. The student's parent/guardian filed with the district, before January 1, 2016, a letter or written affidavit stating that an immunization is contrary to the student's personal beliefs, in which case the student shall be exempted from the immunization until the student enrolls in the next applicable grade span requiring immunization (birth to preschool, grades K-6, grades 7-12). (Health and Safety Code 120335)

When a student transfers to a different school within the district or transfers into the district from another school district in California, the student's personal beliefs exemption filed before January 1, 2016, shall remain in effect until the next applicable grade span. A student transferring from a school outside the district shall present a copy of the personal beliefs exemption upon enrollment. When a student transfers into the district from outside California and presents a personal beliefs exemption issued by another state or country prior to January 1, 2016, the Superintendent or designee may consult with legal counsel regarding the applicable immunization requirements.

3. The student is enrolled in an independent study program pursuant to Education Code 51745-51749.6 and does not receive classroom-based instruction. (Health and Safety Code 120335)

Conditional Enrollment

The Superintendent or designee may conditionally admit a student with documentation from an authorized health care provider that the student has not received all the immunizations required for the student's age group, but has commenced receiving doses of all required vaccines and is not due for any other doses at the time of admission. The Superintendent or designee shall notify the student's parents/guardians of the date by which the student must complete all the remaining doses as specified in 17 CCR 6035. (Health and Safety Code 120340; 17 CCR 6035)

In addition, a transfer student may be conditionally admitted for up to 30 school days while the student's immunization records are being transferred from the previous school. If such documentation is not presented within 30 days, the student shall be excluded from school until the required immunizations have been administered. (17 CCR 6035)

The Superintendent or designee shall immediately enroll homeless students, foster youth, and students of military families even if their immunization records are missing or unavailable at the time of enrollment. School or district staff shall work with the student's prior school to obtain the student's immunization records or shall ensure that the student is properly immunized. (Education Code 48853.5, 49701; Health and Safety Code 120341; 42 USC 11432)

The Superintendent or designee shall review the immunization record of each student admitted conditionally every 30 days until that student has received all the required immunizations. If the student does not receive the required immunizations within the specified time limits, the student shall be excluded from further attendance until the immunizations are received. (Health and Safety Code 120375; 17 CCR 6040, 6070)

Exclusions Due to Lack of Immunizations

If an enrolled student who was previously believed to be in compliance with immunization requirements is subsequently discovered to not be in compliance with requirements for unconditional or conditional admission, the Superintendent or designee shall notify the parent/guardian that evidence of proper immunization or an appropriate exemption must be provided within 10 school days. This notice shall refer the parent/guardian to the student's usual source of medical care or, if the student has no usual source of medical care, then to the county health department or school immunization program, if any. (Education Code 48216; 17 CCR 6040)

The Superintendent or designee shall exclude from further attendance an enrolled student who fails to obtain the required immunization within 10 school days following the parent/guardian's receipt of the notice specified above. The student shall remain excluded from school until documentation is provided indicating that the student has received a dose of each required vaccine due at that time. (17 CCR 6040, 6055)

The student shall also be reported to the attendance supervisor or principal.

Exclusion Due to Exposure to Disease

If the district has good cause to believe that a student has been exposed to a disease listed in the section "Required Immunizations" above and the student's documentation of immunization does not show proof of immunization against that disease, that student may be temporarily excluded from the school until the local health officer is satisfied that the student is no longer at risk of developing or transmitting the disease. (Health and Safety Code 120370)

Records

Each student's immunization record shall be retained as part of the student's mandatory permanent student record. District staff shall maintain the confidentiality of immunization records and may disclose such information to state and local health departments only in accordance with law. (Health and Safety Code 120375, 120440; 17 CCR 6070)

The district shall also retain in the mandatory student record any physician or health officer statement, personal beliefs letter or affidavit, reason for conditional enrollment, or any other documentation related to the student's immunization record or exemptions.

At least annually, the Superintendent or designee shall file a written report on the immunization status of new students with CDPH and the local department of public health on forms prescribed by CDPH. (Health and Safety Code 120375; 17 CCR 6075)

Audits

If an audit reveals deficiencies in the district's reporting procedures, the Superintendent or designee shall present the Board with a plan to remedy such deficiencies.

Policy 5141.33: Head Lice

Status: DRAFT

Original Adopted Date: 07/01/1999 | **Last Revised Date:** 07/01/2012

The Governing Board recognizes that head lice infestations among students require treatment but do not pose a risk of transmitting disease. The Superintendent or designee shall encourage early detection and treatment in a manner that minimizes disruption to the educational program and reduces student absences.

The Superintendent or designee may distribute information to parents/guardians of preschool and elementary students regarding routine screening, symptoms, accurate diagnosis, and proper treatment of head lice infestations. The Superintendent or designee also may provide related information to school staff.

School employees shall report all suspected cases of head lice to the school nurse or designee as soon as possible.

If a student is found with active, adult head lice, he/she shall be allowed to stay in school until the end of the school day. The parent/guardian of any such student shall be given information about the treatment of head lice and encouraged to begin treatment of the student immediately and to check all members of the family. The parent/guardian also shall be informed that the student shall be checked upon return to school the next day and allowed to remain in school if no active head lice are detected.

Upon the student's return to school, the school nurse or designee shall check the student for active head lice. If it is determined that the student remains infected with head lice, the school nurse or designee shall contact the student's parent/guardian to discuss treatment. As needed, he/she may provide additional resources and/or referral to the local health department, health care providers, or other agencies.

If a student is found consistently infested with head lice, he/she may be referred to a multidisciplinary team, which may consist of the school nurse, representatives from the local health department and social services, and other appropriate individuals, to determine the best approach for identifying and resolving problems contributing to the student's head lice infestations.

When it is determined that one or more students in a class or school are infested with head lice, the principal or designee may, at his/her discretion, notify parents/guardians of students in that class or school and provide them with information about the detection and treatment of head lice.

Staff shall maintain the privacy of students identified as having head lice.

If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee shall also file a report when obligated to do so pursuant to Penal Code 11166 using the procedures described above for mandated reporters.

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 3200-3205.

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of the mandated reporter's professional capacity or outside the scope of employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that the person knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to timely report an incident of known or reasonably suspected child abuse or neglect, the mandated reporter may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166) No employee shall be subject to any sanction by the district for making a report unless it can be shown that the employee knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11166, 11172)

Policy 5141.52: Suicide Prevention

Status: DRAFT

Original Adopted Date: 07/01/2009 | **Last Revised Date:** 06/01/2021

The Governing Board recognizes that suicide is a leading cause of death among youth, prevention is a collective effort that requires stakeholder engagement, and school personnel who regularly interact with students are often in a position to recognize the warning signs of suicide and to offer appropriate referral and/or assistance. In an effort to reduce suicidal behavior, its impact on students and families, and other trauma associated with suicide, the Superintendent or designee shall develop measures, strategies, practices, and supports for suicide prevention, intervention, and postvention.

In developing policy and procedures for suicide prevention, intervention, and postvention, the Superintendent or designee shall consult with school and community stakeholders, school-employed mental health professionals, suicide prevention experts, and, in developing policy for grades K-6, the county mental health plan. The Superintendent or designee may also collaborate with county and/or city governments in an effort to align district policy with any existing community suicide prevention plans.

Measures and strategies for suicide prevention, intervention, and postvention shall include, but are not limited to:

1. Staff development on suicide awareness and prevention for teachers, interns, school counselors, and others who interact with students, including, as appropriate, substitute teachers, coaches, expanded day learning staff, crossing guards, tutors, and volunteers
2. Instruction to students in problem-solving, coping, and resiliency skills to promote students' mental, emotional, and social health and well-being, as well as instruction in recognizing and appropriately responding to warning signs of suicidal intent in others
3. Methods for promoting a positive school climate that enhances students' feelings of connectedness with the school and that is characterized by caring staff and harmonious interrelationships among students
4. The provision of information to parents/guardians and caregivers regarding risk and protective factors, warning signs of suicide, the severity of the suicide problem among youth, the district's suicide prevention curriculum, the district's suicide prevention policy and procedures, basic steps for helping suicidal youth, the importance of communicating with appropriate staff if suicide risk is present or suspected, access to suicide prevention training, and/or school and community resources that can help youth in crisis
5. Crisis intervention procedures for addressing suicide threats or attempts
6. Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide

Establishment of district and/or school-site crisis intervention team(s) to ensure the proper implementation and review of this policy and other district practices related to the emotional and behavioral wellness of students, including, but not limited to, the oversight of mental health and suicide prevention training, collaboration with community mental health organizations, identification of resources and organizations that provide evidence-based treatment, collaboration to build community response, and compliance with Education Code 215

As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning. (Education Code 215)

The Board shall ensure that measures and strategies for students in grades K-6 are age appropriate and delivered and discussed in a manner that is sensitive to the needs of young students. (Education Code 215)

If a referral is made for mental health or related services for a student in grade K-6 who is a Medi-Cal beneficiary, the Superintendent or designee shall coordinate and consult with the county mental health plan. (Education Code 215)

District employees shall act only within the authorization and scope of their credential or license. Nothing in this policy shall be construed as authorizing or encouraging district employees to diagnose or treat mental illness unless they are specifically licensed and employed to do so. (Education Code 215)

The Board shall review, and update as necessary, this policy at least every five years. The Board may, at its discretion, review the policy more frequently. (Education Code 215)

The Superintendent or designee shall periodically review district data pertaining to school climate and reports of suicidal ideation, attempts, or death to identify patterns or trends and make recommendations regarding program development.

The Superintendent or designee shall post this policy on the district's web site, in a prominent location and in a manner that is easily accessible to parents/guardians and students. (Education Code 234.6)

The training shall be offered under the direction of a district counselor, psychologist, and/or social worker who has received advanced training specific to suicide and who may collaborate with one or more county or community mental health agencies.

Materials for training shall include how to identify appropriate mental health services at the school site and within the community, and when and how to refer youth and their families to those services. Materials also may include programs that can be completed through self-review of suitable suicide prevention materials. (Education Code 215)

Additionally, staff development shall include research and information related to the following topics:

1. The higher risk of suicide among certain groups, including, but not limited to, students who are impacted by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning
2. Individual risk factors such as previous suicide attempt(s) or self-harm, history of depression or mental illness, family history of suicide or violence, feelings of isolation, interpersonal conflicts, a recent severe or traumatic stressor or loss, family instability, impulsivity, and other factors
3. Identification of students who may be at risk of suicide, including, but not limited to, warning signs that may indicate depression, emotional distress, or suicidal intentions, such as changes in students' personality or behavior and verbalizations of hopelessness or suicidal intent
4. Protective factors that may help to decrease a student's suicide risk, such as resiliency, problem-solving ability, access to mental health care, and positive connections to family, peers, school, and community
5. Instructional strategies for teaching the suicide prevention curriculum, promoting mental and emotional health, reducing the stigma associated with mental illness, and using safe and effective messaging about suicide
6. The importance of early prevention and intervention in reducing the risk of suicide
7. School and community resources and services, including resources and services that meet the specific needs of high-risk groups
8. Appropriate ways to interact with a student who is demonstrating emotional distress or is suicidal and procedures for intervening when a student attempts, threatens, or discloses the desire to die by suicide, including, but not limited to, appropriate protocols for constant monitoring and supervision of the student, during the time the student is in the school's physical custody, while the immediate referral of the student to medical or mental health services is being processed
9. District procedures for responding after a suicide has occurred
10. Common misconceptions about suicide

The district may provide additional professional development in suicide risk assessment and crisis intervention to district mental health professionals, including, but not limited to, school counselors, psychologists, social workers, and nurses.

Instruction

The district's comprehensive health education program shall promote the healthy mental, emotional, and social development of students and shall be aligned with the state content standards and curriculum framework. Suicide prevention instruction shall be incorporated into the health education curriculum in an age and developmentally

appropriate manner and shall be designed to help students:

1. Identify and analyze warning signs and risk factors associated with suicide, including, but not limited to, understanding how mental health challenges and emotional distress, such as feelings of depression, loss, isolation, inadequacy, and anxiety, can lead to thoughts of suicide
2. Develop coping and resiliency skills for dealing with stress and trauma, and building self-esteem
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent
4. Identify trusted adults; school resources, including the district's suicide prevention, intervention, and referral procedures; and/or community crisis intervention resources where youth can get help
5. Develop help-seeking strategies and recognize that there is no stigma associated with seeking services for mental health, substance abuse, and/or suicide prevention

The Superintendent or designee may develop and implement school activities that raise awareness about mental health wellness and suicide prevention.

Student Identification Cards

Student identification cards for students in grades 7-12 shall include the National Suicide Prevention Lifeline telephone number and may also include the Crisis Text Line and/or a local suicide prevention hotline telephone number. (Education Code 215.5)

Intervention

The Superintendent or designee shall provide the name, title, and contact information of the members of the district and/or school crisis intervention team(s) to students, staff, parents/guardians, and caregivers and on school and district web sites. Such notifications shall identify the mental health professional who serves as the crisis intervention team's designated reporter to receive and act upon reports of a student's suicidal intention.

Students shall be encouraged to notify a teacher, principal, counselor, designated reporter, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a student's suicidal intentions based on the student's verbalizations or act of self-harm, the staff member shall promptly notify the principal, school counselor, or designated reporter, who shall implement district intervention protocols as appropriate.

Although any personal information that a student discloses to a school counselor shall generally not be revealed, released, discussed, or referred to with third parties, the counselor may report to the principal or student's parents/guardians when there is reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the student or others within the school community. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers, or the school nurse for the sole purpose of referring the student for treatment, or to report child abuse and neglect as required by Penal Code 11164-11174.3. (Education Code 49602)

Whenever schools establish a peer counseling system to provide support for students, peer counselors shall receive training that includes identification of the warning signs of suicidal behavior and referral of a suicidal student to appropriate adults.

When a suicide attempt or threat is reported, the principal or designee shall ensure student safety by taking the following actions:

1. Immediately securing medical treatment and/or mental health services as necessary

2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened
3. Keeping the student under continuous adult supervision and providing comfort to the student until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene
4. Removing other students from the immediate area as soon as possible

The principal or designee shall document the incident in writing, including the steps that the school took in response to the suicide attempt or threat.

The Superintendent or designee shall follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed. If the parent/guardian does not access treatment for the student, the Superintendent or designee may meet with the parent/guardian to identify barriers to treatment and assist the family in providing follow-up care for the student. If follow-up care is still not provided, the Superintendent or designee shall consider whether it is necessary, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.

For any student returning to school after a mental health crisis, the principal or designee and/or school counselor may meet with the parents/guardians and, if appropriate, with the student to discuss re-entry and appropriate steps to ensure the student's readiness for return to school and determine the need for ongoing support.

Postvention

In the event that a student dies by suicide, the Superintendent or designee shall communicate with the student's parents/guardians to offer condolences, assistance, and resources. In accordance with the laws governing confidentiality of student record information, the Superintendent or designee shall consult with the parents/guardians regarding facts that may be divulged to other students, parents/guardians, and staff.

The Superintendent or designee shall implement procedures to address students' and staff's grief and to minimize the risk of imitative suicide or suicide contagion. The Superintendent or designee shall provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. Students significantly affected by suicide death and those at risk of imitative behavior should be identified and closely monitored. School staff may receive assistance from school counselors or other mental health professionals in determining how to best discuss the suicide or attempted suicide with students.

Any response to media inquiries shall be handled by the district-designated spokesperson who shall not divulge confidential information. The district's response shall not sensationalize suicide and shall focus on the district's postvention plan and available resources.

After any suicide or attempted suicide by a student, the Superintendent or designee shall provide an opportunity for all staff who responded to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

Policy 5144: Discipline

Status: DRAFT

Original Adopted Date: 04/01/2014 | **Last Revised Date:** 12/01/2018

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and achievement and desires to prepare students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent/guardian involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

The Superintendent or designee shall develop effective, age-appropriate strategies for maintaining a positive school climate and correcting student misbehavior at district schools. The strategies shall focus on providing students with needed supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of district discipline policies and practices.

In addition, the Superintendent or designee's strategies for correcting student misconduct shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required or permitted by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

School personnel and volunteers shall not allow any disciplinary action taken against a student to result in the denial or delay of a school meal. (Education Code 49557.5)

Seclusion and behavioral restraint are prohibited as a means of discipline and shall not be used to correct student behavior except as permitted pursuant to Education Code 49005.4 and in accordance with district regulations. (Education Code 49005.2)

The administrative staff at each school may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and district regulations. The Board, at an open meeting, shall review the approved school discipline rules for consistency with Board policy and state law. Site-level disciplinary rules shall be included in the district's comprehensive safety plan. (Education Code 32282, 35291.5)

At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline. When misconduct occurs, staff shall attempt to identify the causes of the student's behavior and implement appropriate discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

The Superintendent or designee shall provide professional development as necessary to assist staff in developing the skills needed to effectively and equitably implement the disciplinary strategies adopted for district schools, including, but not limited to, knowledge of school and classroom management skills and their consistent application, effective accountability and positive intervention techniques, and the tools to form strong, cooperative relationships with parents/guardians.

District goals for improving school climate, based on suspension and expulsion rates, surveys of students, staff, and parents/guardians regarding their sense of school safety and connectedness to the school community, and other local measures, shall be included in the district's local control and accountability plan, as required by law.

At the beginning of each school year, the Superintendent or designee shall report to the Board regarding disciplinary strategies used in district schools in the immediately preceding school year and their effect on student learning.

2. Teachers
3. School administrators
4. School security personnel, if any

A copy of the rules shall be filed with the Superintendent or designee for inclusion in the comprehensive safety plan.

School rules shall be communicated to students clearly and in an age-appropriate manner.

It shall be the duty of each employee of the school to enforce the school rules on student discipline. (Education Code 35291.5)

Disciplinary Strategies

To the extent possible, staff shall use disciplinary strategies that keep students in school and participating in the instructional program. Except when students' presence causes a danger to themselves or others or they commit a single act of a grave nature or an offense for which suspension or expulsion is required by law, suspension or expulsion shall be used only when other means of correction have failed to bring about proper conduct. Disciplinary strategies may include, but are not limited to:

2. Referral of the student to the school counselor or other school support service personnel for case management and counseling

14. Reassignment to an alternative educational environment
15. Suspension and expulsion in accordance with law, Board policy, and administrative regulation

When, by law or district policy, other means of correction are required to be implemented before a student could be suspended or expelled, any other means of correction implemented shall be documented and retained in the student's records. (Education Code 48900.5)

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

Detention After School

Students may be detained for disciplinary reasons for up to one hour after the close of the maximum school day, or until the departure of the school bus to which they have been assigned if applicable. (5 CCR 307, 353)

The student shall not be detained unless the principal or designee notifies the parent/guardian.

Students shall remain under the supervision of a certificated employee during the period of detention.

Community Service

As part of or instead of disciplinary action, the Board, Superintendent, principal, or principal's designee may require a student to perform community service during nonschool hours on school grounds or, with written permission of the student's parent/guardian, off school grounds. Such service may include, but is not limited to, community or school outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. (Education Code 48900.6)

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

(Education Code 48900.7)

Additional Grounds for Suspension and Expulsion: Grades 4-12

A student in grades 4-12 shall be subject to suspension or recommendation for expulsion when it is determined that the student:

1. Committed sexual harassment as defined in Education Code 212.5 (Education Code 48900.2)

Sexual harassment means conduct which, when considered from the perspective of a reasonable person of the same gender as the victim, is sufficiently severe or pervasive as to have a negative impact upon the victim's academic performance or to create an intimidating, hostile, or offensive educational environment. (Education Code 212.5, 48900.2)

(Education Code 233; Penal Code 422.55)

3. Intentionally engaged in harassment, threats, or intimidation against district personnel or students that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of school personnel or students by creating an intimidating or hostile educational environment. (Education Code 48900.4)

Additional Grounds for Suspension and Expulsion: Grades 9-12

Any student in grades 9-12 may be suspended, but not expelled, for disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel

engaged in the performance of their duties. (Education Code 48900(k))

Suspension from Class by a Teacher

A teacher may suspend a student from class for the remainder of the day and the following day for any of the acts specified in Education Code 48900 and listed as Items #1-19 under "Grounds for Suspension and Expulsion: Grades K-12" above or for disruption or willful defiance at any grade level, including grades K-8. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, the student shall be appropriately supervised during the class periods from which the student has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which the student was suspended. (Education Code 48910)

A teacher may also refer a student, for any of the acts specified above in Education Code 48900, to the principal or designee for consideration of a suspension from school. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity away from school to have committed any of the acts listed in the Board policy under "Authority to Expel" for which a recommendation of expulsion is required. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if it is determined that the student violated any of Items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension upon a student, including supervised suspension, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school or class, or continuation school or class

for the purpose of adjustment, the student may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against the student, and shall be given the opportunity to present the student's version and evidence in the student's defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, the student, the student's parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or if the student is an Indian child, the Indian child's tribal social worker and, if applicable, county social worker, shall be notified of the student's right to a conference and the right to return to school for the purpose of the conference. The conference shall be held within two school days, unless the student waives the right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school for the conference. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)
3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or if the student is an Indian child, the Indian child's tribal social worker, and, if applicable, the county social worker, in person, by email, or by telephone. Whenever a student is suspended, the parent/guardian, or, if applicable, the foster youth's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, the county social worker, shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

4. In addition, the notice may state the date and time when the student may return to school.
5. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may conduct a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, a foster youth's educational rights holder, attorney, and county social worker, or an Indian child's tribal social worker, and, if applicable, the county social worker, the notice may state that the law requires such individuals to respond to the request without delay. However, the student shall not be penalized for the failure of the parent/guardian, a foster youth's educational rights holder, attorney, and county social worker, or an Indian child's tribal social worker, and, if applicable, the county social worker, to attend such a conference. The student may not be denied reinstatement solely because such individuals failed to attend the conference. (Education Code 48911)

6. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

- a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
- b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process.
- c. If the student involved is a foster youth or Indian child, the Superintendent or designee shall notify the district's educational liaison of the need to invite the foster youth's educational rights holder, attorney and county social worker, or the Indian child's tribal social worker or, if applicable, the county social worker, to attend the meeting. (Education Code 48853.5, 48911, 48918.1)
- d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)
- e. In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct the behavior and keep the student in school.

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned an in-school suspension. The following conditions shall apply: (Education Code 48911.1)

1. The student shall have access to appropriate counseling services.
2. On-campus suspension shall promote completion of schoolwork and tests missed by the student during the suspension.
3. The teacher(s) shall provide all assignments and tests that the student will miss while suspended.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or, if the student is an Indian child, the Indian child's tribal social worker and, if applicable, county social worker, in person, by email, or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, the Superintendent or principal shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11059, except for:
 - a. The first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis
 - b. The student's possession of over-the-counter medication for use by the student for medical purposes
 - c. Medication prescribed for the student by a physician
4. Robbery or extortion

5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. The panel of administrators for the hearing will provide a written recommendation for the Board's final vote in closed session (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an offense for which the student may be expelled, the Superintendent, principal, or designee may offer the student, the student's parent/guardian, or, when applicable, other person holding the right to make educational decisions for the student, the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer may be made only after written notice of the expulsion hearing pursuant to Education Code 48918 has been given.

The stipulation agreement if offered and agreed upon shall be in writing and shall be signed by the student, the student's parent/guardian, or, when applicable, the person holding the right to make educational decisions for the student. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of the right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student, the student's parent/guardian, or, when applicable, the person holding the right to make educational decisions for the student, shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, the Superintendent or designee shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of the right to: (Education Code 48918.5)

1. Receive five days' notice of the scheduled testimony at the hearing

2. Have up to two adult support persons present at the hearing at the time the witness testifies
3. Have a closed hearing during the time the witness testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth, Homeless Students, and Indian Children

If the student facing expulsion is a foster student or Indian child, the Superintendent or designee shall also send notice of the hearing to the foster youth's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker, at least 10 calendar days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 calendar days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, a hearing shall be conducted by a panel of administrators to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request

is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the panel will deliberate in a closed session to make a recommendation. They will write a letter within three days of the session capturing their recommendation and reasoning. This letter will then go to the Board for a final determination.

The Board will meet in closed session to review the panel's recommendation, deliberate and determine whether the student should be expelled. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to testify in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
3. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

4. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)
 - a. Any complaining witness shall be given five days' notice before being called to testify.
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during the testimony.
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
 - d. The person presiding over the hearing may remove a support person who is disrupting the hearing.
 - e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.
 - f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
 - g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

- i. The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - ii. At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
 - iii. The person conducting the hearing may:
 - A. Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - B. Limit the time for taking the testimony of a complaining witness to normal school hours, if there is no good cause to take the testimony during other hours
 - C. Permit one of the support persons to accompany the complaining witness to the witness stand
5. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from school, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by the student's parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of

the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and parent/guardian (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)

(Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

If a student is expelled from school, the student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. 2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in Items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and Items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the student's parent/guardian, or other person holding the right to make educational decisions for the student, and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and the student's parent/guardian or other person holding the right to make educational decisions for the student shall be asked to indicate in writing their willingness to comply with these regulations.
2. The Superintendent or designee shall transmit to the Board a recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the student's parent/guardian or other person holding the right to make educational decisions for the student, or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and the student's parent/guardian, or other person holding the right to make educational decisions for the student, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)
5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
6. The Board shall provide written notice to the expelled student and the student's parent/guardian, or other person holding the right to make educational decisions for the student, describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district.

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. Policy 5145.11: Questioning And Apprehension By Law Enforcement

Status: DRAFT

Original Adopted Date: 10/01/1996 | **Last Revised Date:** 07/01/2011

The Board of Education believes that the safety of District students and staff is essential to achieving the goal of student learning. In accordance with standards specified in law, law enforcement officers may interview and question students on school premises and may remove them when appropriate.

The Superintendent or designee shall collaborate with local law enforcement agencies to establish procedures which enable law enforcement officers to carry out their duties on school campus, including, when necessary, the questioning and/or apprehension of students.

When any law enforcement officer requests an interview with a student, the principal or designee shall request the officer's identity, his/her official capacity, and the legal authority under which the interview is to be conducted. The principal or designee shall maintain a record of all documentation relative to law enforcement interviews of students.

The principal or designee shall accommodate the interview in a way that causes the least possible disruption for the student and school and provides the student appropriate privacy.

At the law enforcement officer's discretion and with the student's approval, the principal or designee may be present during the interview.

Except in cases of child abuse or neglect, the principal or designee shall attempt to notify the student's parent/guardian as soon as practicable after the law enforcement officer has interviewed the student on school premises.

If a minor student is removed from school into the custody of law enforcement, the principal or designee shall immediately notify the parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse. (Education Code [48906](#))

Subpoenas

Although subpoenas may legally be served at school on students age 12 or older, the Board believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. When served at school, the principal or designee shall take reasonable steps to protect the student's privacy rights and to minimize loss of class time for the student.

Policy 5145.12: Search And Seizure

Status: DRAFT

Original Adopted Date: 03/01/2000 | **Last Revised Date:** 06/01/2021

The Governing Board is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, and only as authorized by law, Board policy, and administrative regulation, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items. School officials shall exercise discretion and use good judgment when conducting searches.

The Superintendent or designee shall ensure that staff who conduct student searches receive training regarding the requirements of the district's policy and administrative regulation and other legal issues, as appropriate.

Searches Based on Individualized Suspicion

School officials may search an individual student, the student's property, or district property under the student's control when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law, Board policy, administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation.

Any search of a student, the student's property, or district property under the student's control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs, or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, and student vehicles parked on district property.

A student's personal electronic device may be searched only if a school official, in good faith, believes that an emergency involving danger of death or serious physical injury to the student or others requires access to the electronic device information.

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code 49050)

Searches of individual students shall be conducted in the presence of at least two district employees.

The principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.

Searches of Student Lockers and Desks

All student lockers and desks are the property of the district. The principal or designee may conduct a general inspection of school properties that are within the control of students, such as lockers and desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned.

Use of Metal Detectors

The Board finds that the presence of weapons in the schools threatens the district's ability to provide the safe and orderly learning environment to which district students and staff are entitled. The Board also finds that metal detector searches offer a reasonable means to keep weapons out of the schools and mitigate the fears of students and staff.

The Superintendent or designee shall use metal detectors as necessary to keep weapons out of schools and help provide a safe learning environment. The Superintendent or designee shall establish a plan to ensure that metal detector searches are conducted in a uniform and consistent manner.

Use of Contraband Detection Dogs

In an effort to keep the schools free of dangerous contraband, the district may use specially trained, nonaggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy. The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events. Dogs shall not sniff within the close proximity of students or other persons and may not sniff any personal items on those persons without individualized suspicion.

(Education Code 234.7)

Such notification shall be provided in a manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)

Regulation 5145.13: Response To Immigration Enforcement

Status: DRAFT

Original Adopted Date: 05/01/2018

Responding to Requests for Information

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information shall not be disclosed to immigration law enforcement authorities without parental consent, a court order, or judicial subpoena. The Superintendent or designee shall annually notify parents/guardians that the district will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena.

Upon receiving any verbal or written request for information related to a student's or family's immigration or citizenship status, district staff shall:

1. Notify the Superintendent or designee about the information request
2. Provide students and families with appropriate notice and a description of the immigration officer's request
3. Document any request for information by immigration authorities
4. Provide students and parents/guardians with any documents provided by the immigration enforcement officer, unless such disclosure is prohibited by a subpoena served on the district or in cases involving investigations of child abuse, neglect, or dependency

Resources and data collected by the district shall not be used, directly or by others, to compile a list, registry, or database of individuals based on national origin, immigration status, religion, or other category of individual characteristics protected against unlawful discrimination. (Government Code 8310.3)

Responding to Requests for Access to Students or School Grounds

District staff shall receive parent/guardian consent before a student is interviewed or searched by any officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

District staff shall report the presence of any immigration enforcement officers to on-site district police and other appropriate administrators.

As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

The district's legal counsel or other designated official shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's responses. (Education Code 234.7)

The Superintendent or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

Responding to the Detention or Deportation of Student's Family Member

The Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The Superintendent or

designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)

On-Campus Expression

Students shall have the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the distribution of printed materials or petitions; the wearing of buttons, badges, and other insignia; and the right of expression in official publications. (Education Code 48907)

Student expression on district or school Internet web sites and online media shall generally be afforded the same protections as in print media.

Students' freedom of expression shall be limited only as allowed by Education Code 48907, 48950, and other applicable state and federal laws.

Students are prohibited from making any expressions or distributing or posting any materials that are obscene, libelous, or slanderous. Students also are prohibited from making any expressions that so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of school rules, or substantial disruption of the school's orderly operation. (Education Code 48907)

The use of "fighting words" or epithets is prohibited in those instances where the speech is abusive and insulting, rather than a communication of ideas, and the speech is used in an abusive manner in a situation that presents an actual danger that it will cause a breach of the peace.

School officials shall not engage in prior restraint of material prepared for official school publications except insofar as the content of the material violates the law. (Education Code 48907)

The Superintendent or designee shall not discipline any high school student solely on the basis of speech or other communication that would be constitutionally protected when engaged in outside of school, but may impose discipline for harassment, threats, or intimidation unless constitutionally protected. (Education Code 48950)

Off-Campus Expression

A student shall be subject to discipline for off-campus expression, including expression on off-campus Internet web sites, when such expression poses a threat to the safety of other students, staff, or school property, or substantially disrupts the educational program. The Superintendent or designee shall document the impact the expression had or could be expected to have on the school program.

Regulation 5145.2: Freedom Of Speech/Expression

Original Adopted Date: 11/01/2001 | **Last Revised Date:** 11/01/2007

School-Sponsored Publications

Students shall have the right to exercise freedom of speech and of the press in official school publications, except for expression that is obscene, libelous, slanderous, or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of lawful school regulations, or the substantial disruption of the orderly operation of the school. (Education Code 48907)

Official school publications includes material produced by students in journalism, newspaper, yearbook, or writing classes and distributed to the student body either for a fee or free. (Education Code 48907)

Each principal shall develop a school publications code outlining the responsibility of student journalists, editors, and publication advisors.

All student submissions shall be held to professional standards of English and journalism. (Education Code 48907)

If the principal considers material submitted for publication to violate Education Code 48907, he/she shall notify the student, without undue delay, and give specific reasons why the submitted material may not be published. Absent extraordinary circumstances, such notice should be given in sufficient time to allow the student time to either modify the material or to seek review of the principal's determination from the Superintendent or designee. Prior to any restriction of student speech, school officials shall consider any feasible alternative options to restricting the speech.

To the extent that the principal or designee believes that the school and district should be disassociated from a particular idea or opinion, the principal may require student articles to include disclaimers.

Distribution of Printed Materials and Petitions by Students

The principal or designee may provide bulletin boards on which students and student organizations may post materials of general interest. Students also may post or distribute handbills, leaflets, and other printed material, whether produced within or outside of the school. Students may collect signatures on petitions concerning school or nonschool issues.

Printed materials or petitions may be distributed only:

1. Before or after school or during lunch time
2. In locations that do not obstruct the normal flow of traffic within the school or at entrances

No student shall use coercion to induce any other student or person to accept printed matter or to sign a petition. No funds shall be collected for any material distributed.

Clothing, Buttons, and Badges

Buttons, badges, armbands, and clothing bearing slogans or sayings may be worn unless their message falls into the categories prohibited by law and Board policy. No employee shall interfere with this practice on the grounds that the message may be controversial or unpopular with students or faculty.

Policy 5145.3: Nondiscrimination/Harassment

Status: DRAFT

Original Adopted Date: 10/01/2014 | **Last Revised Date:** 05/01/2020

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Governing Board desires to provide a safe school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's web site in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation.

The Superintendent or designee shall provide information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.
- 8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

- 9. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students.
- 10. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code 234.1)

Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

- 1. Removing vulgar or offending graffiti
- 2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond
- 3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination
- 4. Consistent with laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment
- 5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have filed a complaint of

discrimination that the student knew was not true

Process for Initiating and Responding to Complaints

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures or, for complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Issues Unique to Intersex, Nonbinary, Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Intersex student means a student with natural bodily variations in anatomy, hormones, chromosomes, and other traits that differ from expectations generally associated with female and male bodies.

Nonbinary student means a student whose gender identity falls outside of the traditional conception of strictly either female or male, regardless of whether or not the student identifies as transgender, was born with intersex traits, uses gender-neutral pronouns, or uses agender, genderqueer, pangender, gender nonconforming, gender variant, or such other more specific term to describe their gender.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The district prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's gender identity to individuals who do not have a legitimate need for the information, without the student's consent
6. Using gender-specific slurs
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against intersex, nonbinary, transgender, and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's gender identity, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that intersex, nonbinary, transgender, and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's intersex, nonbinary, transgender, or gender-nonconforming status is the student's private information. The district shall develop strategies to prevent unauthorized disclosure of students' private information. Such strategies may include, but are not limited to, collecting or maintaining information about student gender only when relevant to the educational program or activity, protecting or revealing a student's gender identity as necessary to protect the health or safety of the student, and keeping a student's unofficial record separate from the official record.

The district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's intersex, nonbinary, transgender, or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's intersex, nonbinary, transgender, or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless district personnel present a

credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the intersex, nonbinary, transgender, or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.
 4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because the student is intersex, nonbinary, transgender, or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.
 5. **Student Records:** Upon each student's enrollment, the district is required to maintain a mandatory permanent student record (official record) that includes the student's gender and legal name.

A student's legal name as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. A student's gender as entered on the student's official record required pursuant to 5 CCR 432 shall only be changed with written authorization of a parent/guardian having legal custody of the student. (Education Code 49061)

However, when proper documentation or authorization, as applicable, is not submitted with a request to change a student's legal name or gender, any change to the student's record shall be limited to the student's unofficial records such as attendance sheets, report cards, and school identification.
 6. **Names and Pronouns:** If a student so chooses, district personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.
 7. **Uniforms/Dress Code:** A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.

Policy 5145.6: Parent/Guardian Notifications

Status: DRAFT

Original Adopted Date: 03/01/2007 | **Last Revised Date:** 06/01/2023

The Governing Board desires to promote effective communication between the school and the home and to keep parents/guardians informed regarding educational programs, school operations, and the legal rights of students and their parents/guardians. The Superintendent or designee shall send parents/guardians all notifications required by law and any other notifications the Superintendent or designee believes will promote parental understanding and involvement.

Notice of the rights and responsibilities of parents/guardians as specified in Education Code 48980 shall be sent at the beginning of each academic year and may be provided by regular mail, in electronic form when so requested by the parent/guardian, or by any other method normally used by the district for written communication with parents/guardians. (Education Code 48981)

No activity specified in Education Code 48980 shall be undertaken with respect to any particular student unless the student's parent/guardian has been informed of such action through the annual notification or other separate special notification. Such notice shall state the activity that will be undertaken and the approximate date on which the activity will occur. (Education Code 48983-48984)

The annual notification shall include a request that the parent/guardian sign the notice and return it to the school or, if the notice is provided in electronic format, that the parent/guardian submit a signed acknowledgment of receipt of the notice to the school. The parent/guardian's signature is an acknowledgment of receipt of the information but does not indicate that consent to participate in any particular program has been given or withheld. (Education Code 48982)

Notifications shall be presented in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians can understand.

When necessary, the district shall provide notifications to qualified individuals with disabilities in alternative formats, such as braille, large front, or audio recordings, to enable such individuals to effectively participate in any program, service, or activity, as required by law.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code 52164, all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code 48981, 48985)

Whenever an employee learns that a student's parent/guardian is unable to understand the district's printed notifications for any reason, the employee shall inform the principal or designee, who shall work with the parent/guardian to establish other appropriate means of communication.

Policy 5145.7: Sexual Harassment

Status: DRAFT

Original Adopted Date: 03/01/2012 | **Last Revised Date:** 10/01/2020

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable.

Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district's sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district's web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during

an investigation

Disciplinary Actions

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

Record-Keeping

In accordance with law and district policies and regulations, the Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

The report shall be made regardless of whether the alleged victim files a formal complaint or requests confidentiality.

When a report or complaint of sexual harassment involves off-campus conduct, the Title IX Coordinator shall assess whether the conduct may create or contribute to the creation of a hostile school environment. Regulation 5145.71: Title IX Sexual Harassment Complaint Procedures

Status: DRAFT

Original Adopted Date: 07/01/2020 | **Last Revised Date:** 10/01/2020

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

All other sexual harassment complaints or allegations brought by or on behalf of students shall be investigated and resolved in accordance with BP/AR 1312.3 - Uniform Complaint Procedures. The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

Because the complainant has a right to pursue a complaint under BP/AR 1312.3 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for BP/AR 1312.3 are concurrently met while implementing the Title IX procedure.

Reporting Allegations/Filing a Formal Complaint

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 5145.7 - Sexual Harassment or to any other available school employee, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations when a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations, including as part of the district's obligation to not be deliberately indifferent to known allegations of sexual harassment. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

The Title IX Coordinator, investigator, decision-maker, or a facilitator of an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Such persons shall receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, course-related adjustments, modifications of class schedules, mutual restrictions on contact, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

A student shall not be disciplined for alleged sexual harassment under Title IX until the investigation has been completed. However, on an emergency basis, the district may remove a student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. This authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal of a formal complaint or any allegation in the complaint in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to BP/AR 1312.3 - Uniform Complaint Procedures as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process

2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice shall also include the name of the investigator, facilitator of an informal process, and decision-maker and shall inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. (34 CFR 106.45)

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decision-maker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decision-maker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party

The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decision-maker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator

3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

The district's decision may be appealed to the California Department of Education within 30 days of the written decision in accordance with BP/AR 1312.3.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Corrective/Disciplinary Actions

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the section "Supportive Measures," until the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion. After the completion of the complaint procedure, if it is determined that a student at any grade level has committed sexual assault or sexual battery at school or at a school activity off school grounds, the principal or Superintendent shall immediately suspend the student and shall recommend expulsion. (Education Code 48900.2, 48915)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education of the student regarding the impact of the conduct on others
4. Positive behavior support
5. Referral of the student to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
 2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
 3. All materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public.

 - b. Income eligible
 - c. Homeless
 - d. The family's children are recipients of child protective services or have been identified as being or at risk of being abused, neglected, or exploited
 - e. A member of the household is certified to receive benefits from Medi-Cal, CalFresh, the California Food

The child is identified by a legal, medical, or social services agency, the district liaison for homeless students, a Head Start program, or an emergency or transitional shelter as being a recipient of protective services, as being or at risk of being neglected, abused, or exploited, or as experiencing homelessness

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment shall be given to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency. Second priority for enrollment shall be given to families, regardless of the number of parents in the home, who are income eligible, as defined in Welfare and Institutions Code 10271.5. Families with the lowest gross monthly income in relation to family size shall be admitted first. If two or more families are in the same priority in relation to income, the family that has a child with disabilities shall be admitted first or, if there is no child with disabilities, the family in which the primary home language is a language other than English shall be admitted first. If there is no family of the same priority in which the primary home language is a language other than English, the family of the same priority that has been on the waiting list for the longest time shall be admitted first. (Welfare and Institutions Code 10271 and 10271.5)

The district shall allow eligible children 11-12 years of age to combine enrollment in a before-school or after-school program with subsidized child care services during the time that the before-school or after-school program does not operate. Children 11-12 years of age, except for children with disabilities, shall be eligible for subsidized child care services only for the portion of care needed that is not available in a before-school or after-school program. (Welfare and Institutions Code 10273)

After all children eligible for subsidized services have been enrolled, the district may enroll other children in accordance with the priorities established by the Governing Board.

The district's decision to approve or deny services shall be communicated to the parent/guardian through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18118)

Upon establishing eligibility for services, a family shall be eligible for and shall receive services for not less than 24 months before having the family's eligibility or need recertified and shall not be required to report changes to income or other changes for at least 24 months. If such eligibility ends before the end of the child care and services program year, eligibility shall be extended until the end of the program year as long as applicable age-eligibility requirements specified in Welfare and Institutions Code 10213.5 are met. (Welfare and Institutions Code 10271)

However, a family establishing eligibility on the basis of income shall report any increases in income that exceed the threshold for ongoing income eligibility specified in Welfare and Institutions Code 10271.5, and the family's ongoing eligibility shall be recertified at that time. At any time, a family may voluntarily report income or other changes which shall be used, as applicable, to reduce the family's fees, increase the family's services, or extend the period of eligibility before recertification. (Welfare and Institutions Code 10271)

Additionally, a family establishing eligibility for services on the basis of receiving services under a CalWORKs Stage 1,

2, or 3 program shall be eligible for and shall receive services for not less than 12 months before having the family's eligibility or need recertified and shall not be required to report changes to income or other changes for at least 12 months. (Welfare and Institutions Code 10271)

The Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination made during recertification or the update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the service is no longer wanted
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

The Superintendent or designee shall establish and maintain a basic data file for each family receiving child care and development services including, but not limited to, the completed and signed application for services, documentation used to determine the child's eligibility and need, and copies of all Notices of Action. (5 CCR 18081, 18095)

Fees and Charges

Except when offering a program that is prohibited by law from charging any fees, the Superintendent or designee may charge fees for services according to the state fee schedule, the actual cost of services, or the maximum daily/hourly rate specified in the contract, whichever is least. (Welfare and Institutions Code 10260, 10271, 10290, 10291, 10436; 5 CCR 18078, 18108-18110)

No fee shall be charged to a family that is receiving CalWORKS cash aid, an income-eligible family whose child is enrolled in a part-day California State Preschool Program, or a family whose income level, in relation to family size, is less than the first entry in the fee schedule. (Welfare and Institutions Code 10291; 5 CCR 18110)

In addition, any family receiving child care on the basis of having neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency, may be exempt from these fees for up to 12 months. (Welfare and Institutions Code 10271 and 10291)

Fees shall be assessed at initial enrollment and reassessed when a family is recertified or experiences a change in status. Fees shall be considered delinquent after seven days from the date that fees are due. Parents/guardians shall be notified in the event that fees are delinquent. If a reasonable plan for payment of the delinquent fees has not been provided by the parents/guardians, services shall be terminated if all delinquent fees are not paid within two weeks of such notification. Parents/guardians shall receive a copy of the district's regulations regarding fee collection at the time of initial enrollment into the program. (Welfare and Institutions Code 10290; 5 CCR 18082, 18114, 18115)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers. This process shall also be used to determine whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Welfare and Institutions Code 10292)

District child care centers shall post in a prominent location adjacent to the license at the child care facility the rates, and discounts or scholarship policies if any. (Welfare and Institutions Code 10288)

Expulsion/Unenrollment and Suspension Based on Behavior

The district's child care and development program shall not expel or unenroll a child or persuade or encourage a child's parents/guardians to voluntarily unenroll from the program based on the child's behavior, unless the district first takes the following actions to address the child's behavior: (Welfare and Institutions Code 10491)

1. In writing, inform the parents/guardians of the child's persistent and serious challenging behaviors and consult with the parents/guardians and teacher, and if available engage an early childhood mental health consultant, in an effort to maintain the child's safe participation in the program
2. If the child has an individualized family service plan (IFSP) or individualized education program (IEP), contact, with written parent/guardian consent, the agency or district employee responsible for such plan or program to seek consultation in regard to serving the child
3. If appropriate, consider completing a comprehensive screening to identify the needs of the child, including, but not limited to, screening the child's social and emotional development, referring the parents/guardians to community resources, and implementing behavior supports within the program

If the district has taken the actions specified in Items #1-3 above and the child's continued enrollment would present a serious safety threat to the child or other enrolled children, the district shall refer the parents/guardians to other potentially appropriate placements, the local child care resource and referral agency, or any other referral service available in the local community. The district shall, to the greatest extent possible, support direct transition to a more appropriate placement. The district may then unenroll the child. The district shall have up to 180 days to complete the actions described above. (Welfare and Institutions Code 10491.1)

A child shall not be suspended from the district's child care and development program, nor shall a child's parent/guardian be encouraged or persuaded to prematurely pick up a child before the program day ends, except as a last resort in extraordinary circumstances, when a safety threat exists that cannot be eliminated or reduced without the removal of the child. (Welfare and Institutions Code 10491.1)

Before determining that a suspension is necessary, the district shall collaborate with the child's parents/guardians and, as needed, shall use appropriate community resources to determine that no other reasonable option is appropriate. (Welfare and Institutions Code 10491.1)

When suspension is deemed necessary, the district shall help the child return to full participation in the program as soon as possible while ensuring safety, by doing all of the following: (Welfare and Institutions Code 10491.1)

1. Continuing to engage with the child's parents/guardians and continuing to use appropriate community resources
2. Developing a written plan to document the action and supports needed
3. Providing referrals to appropriate community resources
4. If the child has an IFSP or IEP, contacting, with written parent/guardian consent, the agency responsible for the child's IFSP or IEP, to seek consultation on servicing the child

Upon enrollment, the parents/guardians of each child shall be notified, in writing, of the limitations on expulsion, suspension, or any form of disenrollment and how the parents/guardians may file an appeal to CDSS in the event of expulsion or suspension. If the district suspends or expels a child from the child care and development program, the district shall, at least 24 hours before the effective date of the suspension or expulsion, issue the child's parents/guardians a written "Notice of Action, Recipient of Services," as described in 5 CCR 18095, informing the parents/guardians of the right to file an appeal of the action directly with CDSS no later than 14 calendar days after receiving the notice. (Welfare and Institutions Code 10491.1)

If a child is suspected of having a developmental delay, disability, or mental health issue, the child's parent/guardian shall be referred, if appropriate, to the mental health system, the state's early intervention program, or the district's special education program regarding evaluation for services under the Individuals with Disabilities Education Act (IDEA). Children identified as having exceptional needs may only be suspended or expelled in conformance with the procedures and limitations of the IDEA.

Disenrollment

When necessary due to a reduction in state reimbursements, families shall be disenrolled from subsidized child care and development services in the following order: (Welfare and Institutions Code 10272.5)

1. Families with the highest income in relation to family size shall be disenrolled first.
2. If two or more families have the same income ranking, children who have been enrolled in child care services the longest shall be disenrolled first.
3. If two or more families have the same income, children without disabilities shall be disenrolled first.
4. Families whose children are receiving child protective services or are at risk of neglect or abuse, regardless of family income, shall be disenrolled last.

Health Examination and Immunizations

Prior to or within six weeks of enrollment, a child enrolling in a child care center shall obtain a physical examination and evaluation and receive age-appropriate immunizations. (Welfare and Institutions Code 10271)

A child may be exempted from the immunization requirements only if a licensed physician indicates that immunization should not be given and specifies how long this exemption is expected to be needed. (22 CCR 101220.1)

A medical exemption shall be submitted using the standardized medical exemption certification form developed by California Department of Public Health (CDPH) and transmitted using the California Immunization Registry. The request shall include, but not be limited to, a description of the medical basis for which the exemption for each individual immunization is sought and whether the medical exemption is permanent or temporary, including the date upon which a temporary medical exemption will expire. All medical exemptions shall not extend beyond the current grade span of the student, and a temporary exemption shall not exceed one year. (Health and Safety Code 120372)

If there is good cause to believe that a child is suffering from a recognized contagious or infectious disease, the child shall be temporarily excluded from the child care and development program until it is determined that the child is not suffering from that contagious or infectious disease. (Welfare and Institutions Code 10271)

District child care centers shall disclose immunization information to the local health department and CDPH in accordance with Health and Safety Code 120440, and maintain the confidentiality of such information in the same manner as other students records in accordance with law and as specified in Administrative Regulation 5125 - Student Records. (Health and Safety Code 120440)

Attendance

Sign-in and sign-out sheets shall be used daily for all children for attendance accounting purposes. Attendance records shall include verification of excused absences, including the child's name, date(s) of absence, specific reason for absence, and signature of parent/guardian or the district's authorized representative if verification is made by telephone. (5 CCR 18065, 18066)

Absences shall be excused for the following reasons:

1. Illness or quarantine of the child or of the parent/guardian (Welfare and Institutions Code 10213.5)
2. Family emergency (Welfare and Institutions Code 10213.5)

A family emergency shall be considered to exist when unforeseen circumstances cause the need for immediate action, such as may occur in the event of a natural disaster or when a member of the child's immediate family dies, has an accident, or is required to appear in court.

3. Time spent with a parent/guardian or other relative as required by a court of law (Welfare and Institutions Code 10213.5)
4. Time spent with a parent/guardian or other relative which is clearly in the best interest of the child (Welfare and Institutions Code 10213.5)

An absence shall be considered to be in the best interest of the child when the time is spent with the child's parent/guardian or other relative for reasons deemed justifiable by the program coordinator or site supervisor.

Except for children who are recipients of child protective services or are at risk of abuse or neglect, excused absences in the best interest of the child shall be limited to 10 days during the contract period. (5 CCR 18066)

When a child has been absent and the family has not been in communication with the program coordinator or site supervisor for seven consecutive calendar days, the district shall attempt to contact the parent/guardian through a variety of communication methods, including one attempt in writing which may be through electronic means, informing the parent/guardian that failure to communicate with the district may result in termination of child care services. The district shall keep documentation of all such communication attempts in the family's data file, and, if there has been no communication for a total of 30 consecutive calendar days, issue a Notice of Action to disenroll the family on the basis of abandonment of care. (5 CCR 18066.5)

Parents/guardians shall be notified of the policies and procedures related to excused absences for child care and development services. (5 CCR 18066)

Rights of Parents/Guardians

At the time a child is accepted into a licensed child care and development center, the child's parent/guardian or authorized representative shall be notified of the rights specified in 22 CCR 101218.1, including, but not limited to, the right to enter and inspect the child care facility and the right to be informed, upon request, of the name and type of association to the center of any adult who has been granted a criminal record exemption. (Health and Safety Code 1596.857; 22 CCR 101218.1)

The written notice of parent/guardian rights also shall be permanently posted within the facility in a location accessible to parents/guardians. Notwithstanding these rights, access to the facility may be denied to an adult whose behavior presents a risk to children present in the facility or to noncustodial parents/guardians when so requested by the responsible parent/guardian. (Health and Safety Code 1596.857)

In addition, if a parent/guardian disagrees with any district action to deny a child's eligibility for subsidized child care services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, the parent/guardian may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 18120)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 18120 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, the parent/guardian may, within 14 calendar days, appeal the decision to the Child Development Division. (5 CCR 18120-18122)

Coordinating Transitions

When a child in the district's child care and development program transfers to a local public school, the district's child care and development program administrator shall provide the child's parent/guardian with information from the previous year which is beneficial to the student and the student's teacher, including, but not limited to, developmental issues, social interaction abilities, health background, and diagnostic assessments, if any. The program administrator shall transfer this information to the student's elementary school, with permission of the student's parent/guardian. (Welfare and Institutions Code 10315)

To facilitate the transition of a child with a disability, the district designates the individual listed below as the main point of contact for coordinating and completing, with other agencies and persons, the transition of a child and family from infant/toddler programs to preschool (Part C to Part B of IDEA), including establishing practices to educate and support families during the transition: (Government Code 95008)

Director of Special Education

The Superintendent or designee shall maintain records of enrollment, attendance, types of families served, income received from all families participating in the district's child care and development program, and any other records required under the state contract.

Policy 5148.2: Before/After School Programs

Status: DRAFT

Original Adopted Date: 11/01/2006 | **Last Revised Date:** 12/01/2022

The Governing Board desires to provide learning opportunities for students beyond the regular school day that support the regular education program in a supervised environment. In order to increase academic achievement of participating students, the content of such programs shall be coordinated with the district's vision and goals for student learning, local control and accountability plan, curriculum, and academic standards.

Each program offered by the district shall be planned through a collaborative process as required by law. (Education Code 8422, 8482.5, 8484.75, 46120)

To the extent feasible, the district shall give priority to establishing expanded learning opportunities beyond the regular school day in low-performing schools and/or programs that serve low-income and other at-risk students.

Any expanded learning opportunities, including but not limited to After School Education and Safety Program (ASES), 21st Century Community Learning Center Program (21st CCLC), 21st Century High School After School Safety and Enrichment for Teens Program (ASSETs), Expanded Learning Opportunities Program (ELO) or any other program to be established pursuant to Education Code 8421, 8482.3, 8484.75, or 46120, shall be approved by the Board.

The Superintendent or designee shall ensure that all staff who directly supervise students in the district's expanded learning opportunity programs possess appropriate knowledge and experience. As needed, staff and volunteers shall receive ongoing training related to their job responsibilities.

Each before-school, after-school, summer, vacation or intersessional expanded learning opportunity program shall include academic and enrichment elements in accordance with law and administrative regulation. In addition, each program may include support services that reinforce the educational component and promote student health and well-being.

A family fee may be charged to participating families based on the actual cost of services.

However, for the ASSETs program, a family fee shall be waived or reduced for families with students who are eligible for free or reduced-price meals. (Education Code 8422)

For ASES, 21st CCLC, and/or ELO s programs, no fee shall be charged for a student who is eligible for free or reduced-price meals, or a student who the district knows is a homeless youth or in foster care. In addition, family fees shall be calculated on a sliding scale that considers family income and ability to pay. (Education Code 8482.6, 46120)

Eligible students who are 11 or 12 years of age shall be placed in a before-school or after-school program, if and when available, rather than subsidized child-care and development services. During the time that the before-school or after-school program does not operate, such students may be provided the option of enrolling in child-care and development services in accordance with the enrollment priorities established in AR 5148 - Child Care and Development. (Welfare and Institutions Code 10273)

The Board and the Superintendent or designee shall monitor student participation rates and shall identify multiple measures that shall be used to evaluate program effectiveness. Such measures may include, but are not limited to, student outcome data; program self-assessments; feedback from staff, participating students, and parents/guardians; and observations of program activities.

Every three years, the Superintendent or designee shall review the after-school program plan, including, but not limited to, program goals, program content, and outcome measures. Documentation of the program plan shall be maintained for a minimum of five years.

Policy 5148.3: Preschool/Early Childhood Education

Status: DRAFT

Original Adopted Date: 11/01/2012 | **Last Revised Date:** 12/01/2022

The Governing Board recognizes the value of high-quality preschool experiences to enhance children's social-emotional development and acquisition of instructional knowledge, skills, and abilities. The Board desires to provide a supervised and cognitively rich learning environment designed to facilitate the transition to kindergarten for three- and four-year-old children.

The Superintendent or designee shall collaborate with the local child care and development planning council, the county office of education, other public agencies, organizations, and/or private preschool providers to assess the availability of preschool programs in the community and the extent to which the community's preschool needs are being met. The Board encourages the development of a comprehensive districtwide and/or countywide plan to increase children's access to high-quality preschool programs.

The Superintendent or designee shall provide information about preschool options in the community to parents/guardians upon request.

To receive preschool services, a child and the child's parent(s)/guardian(s) shall be required to provide evidence of residency in California. However, any person identified as experiencing homelessness shall only be required to submit a declaration that the person resides in California. (5 CCR 17745)

Preschool eligibility determinations shall be made without regard to a child's immigration status or that of the child's parent(s)/guardian(s) unless the child or the child's parent(s)/guardian(s) are under a final order of deportation from the United States Department of Homeland Security. (5 CCR 17745)

District Preschool Programs

When the Board determines that it is feasible, the district may contract with the California Department of Education (CDE) to provide preschool services in facilities at or near district schools, either directly or through a subcontract with a public or private provider.

District preschool programs shall comply with all health and safety laws and regulations, including, when applicable, licensure requirements pursuant to 22 CCR 101156.

The Board shall approve, for the district's preschool program, a written philosophical statement, goals, and objectives that reflect the cultural and linguistic characteristics of the families to be served and address the program components specified in 5 CCR 17701-17711 and the accompanying administrative regulation. (5 CCR 17701)

The Board shall set priorities for establishing or expanding services as resources become available, giving consideration to the benefits of providing early education programs for at-risk children and/or children residing in the attendance areas of the lowest performing district schools.

Preschool classroom needs shall be addressed in the district's facilities master plan, including an assessment as to whether adequate and appropriate space exists on school sites. As necessary, the Superintendent or designee shall provide information to the Board regarding facilities financing options for preschool classrooms and/or facilities available through partnering organizations or agencies.

Because parents/guardians are essential partners in supporting the development of their children, the Superintendent or designee shall involve them in program planning.

The Superintendent or designee shall coordinate the district's preschool program, transitional kindergarten program (TK), and elementary education program to provide a developmental continuum that builds upon children's growing skills and knowledge.

A child's eligibility for TK enrollment shall not impact family eligibility for a preschool or child care program. (Education Code 8205, 48000)

The district's program shall be aligned with preschool learning foundations and curriculum frameworks developed by CDE which identify the knowledge, skills, and competencies that children typically attain as they complete their first

or second year of preschool. The program shall be designed to facilitate children's development in essential skills in the areas of language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

The Superintendent or designee shall identify dual language learners in district preschool programs, and shall collect and report related data to CDE as required by Education Code 8241.5. The district's preschool program shall include activities and services that meet the needs of dual language learners for support in the development of their home language and English. (Education Code 8203)

The district's preschool program shall serve children with exceptional needs as required by Education Code 8208. Children with exceptional needs attending any CSPP program shall be educated in the least restrictive environment in accordance with 20 USC 1412.

The district's preschool program shall provide appropriate services to support the needs of at-risk children.

To maximize the ability of children to succeed in the preschool program, the program shall support children's health through proper nutrition and physical activity and shall provide or make referrals to available health and social services as needed.

The district shall encourage volunteerism by families participating in the program and shall communicate frequently with parents/guardians of enrolled children regarding their child's progress.

The Superintendent or designee shall ensure that administrators, teachers, and paraprofessionals in district preschool programs possess the appropriate permit(s) issued by the Commission on Teacher Credentialing, meet any additional qualifications established by the Board, and participate in professional development opportunities designed to continually enhance their knowledge and skills.

Preschool admissions policies and procedures shall be in writing and available to the public. Such policies and procedures shall include criteria designating those children whose needs can be met by the program and services, the ages of children who will be accepted, program activities, any supplementary services provided, any field trip provisions, any transportation arrangements, food service provisions, and a health examination requirement. (5 CCR 17743; 22 CCR 101218.1)

The Superintendent or designee shall ensure that subsidized preschool is provided to eligible families to the extent that state and/or federal funding is available and shall establish enrollment priorities in accordance with Education Code 8208, 8210, and 8211 and 5 CCR 17746-17748.

The Superintendent or designee shall develop and implement an annual plan of evaluation which conforms to state requirements. (5 CCR 17709-17711)

The district's uniform complaint procedures, with modifications as necessary, shall be used to investigate and resolve complaints alleging violation of applicable health or safety requirements for license-exempt programs operating under the California State Preschool Program. However, licensed programs shall refer complaints alleging health and safety violations to the California Department of Social Services. (Education Code 8212; 5 CCR 4610, 4611, 4690-4694, 17781)

The Superintendent or designee shall regularly report to the Board regarding enrollment in district preschool programs and the effectiveness of the programs in preparing preschoolers for transition into the elementary education program.

The district's part-day preschool program shall operate a minimum of three hours, and up to three hours and 59 minutes, per day, excluding time for home-to-school transportation, and for at least 175 days per year unless otherwise specified in the contract with CDE. (Education Code 8207; 5 CCR 17727)

However, a part-day preschool program may also offer transitional kindergarten (TK) or kindergarten children whose families meet the requirements of Education Code 8208 less than four hours of wraparound childcare services and a part-day preschool program operating on a school site may be allowed flexibility in the operational hours. (Education Code 48000)

The district's full-day program shall operate for a minimum of 246 days per year, unless the contract specifies a lower number of days of operation, and for the number of operational hours reasonably necessary to meet the preschool needs of the families in the community. (Education Code 8207; 5 CCR 17728)

Staffing

In addition, preschool teachers shall present evidence of a current tuberculosis clearance and meet other requirements as specified in Health and Safety Code 1597.055.

The district may require any volunteer who is to provide care and supervision to district preschool children to provide evidence that the volunteer is free of infectious tuberculosis.

Eligibility Criteria for Part-Day CSPP Programs

A three- or four-year-old child is eligible for a part-day CSPP program if the child's family is one of the following: (Education Code 8208)

1. A current aid recipient
2. Income eligible
3. Homeless
4. One whose children are recipients of child protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected or exploited
5. One who has children with exceptional needs, as defined in Education Code 8205
6. One with a household member who is certified to receive benefits from Medi-Cal, CalFresh, the California Food Assistance Program, the California Special Supplemental Nutrition Program for Women, Infants, and Children, the federal Food Distribution Program on Indian Reservations, Head Start, Early Head Start, or any other designated means-tested government program, as determined by CDE

After all eligible three- and four-year-old children have been enrolled as provided above, a part-day CSPP program may provide services to children in families whose income is no more than 15 percent above the income eligibility threshold, as described in Education Code 8213. No more than 10 percent of all the children enrolled in the CSPP program shall be from families above the income eligibility threshold. (Education Code 8208)

In addition, after all otherwise eligible children have been enrolled as provided in the paragraphs above, a part-day CSPP program may provide services to three- and four-year-old children in families whose income is above the income eligibility threshold if those children are children with exceptional needs. Such children with exceptional needs shall not count towards the 10-percent limit on enrollment of families with income above the income eligibility threshold described above. (Education Code 8208)

A CSPP program operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price lunch may enroll three- and four-year-old children after all otherwise eligible children have been enrolled as provided in the paragraphs above. (Education Code 8208 and 8217)

The district shall certify eligibility and enroll families into the part-day preschool program within 120 calendar days prior to the first day of the beginning of the new preschool year. Subsequent to a child's enrollment, the child shall be deemed eligible for the part-day CSPP program for the remainder of the program year and for the following program year, provided applicable age-eligibility requirements are met, as specified in Education Code 8205 and 48000. (Education Code 8208)

Enrollment Priorities for Part-Day CSPP Programs

The district shall give priority for part-day CSPP programs as follows: (Education Code 8210)

1. The first priority for services shall be given to three- or four-year-old children who are recipients of child protective services or who are at risk of being neglected, abused, or exploited and for whom there is a written referral from a legal, medical, or social service agency. If the district is unable to enroll a child in this first priority category, the district shall refer the child's parent/guardian to local resources and referral services so that services for the child can be located.
2. When the number of three- or four-year old children with exceptional needs required to be enrolled pursuant

to Education Code 8208 have been enrolled and there are additional children with exceptional needs who are interested in enrolling, the second priority for services shall be given to all three- and four-year old children with exceptional needs from families with incomes below the income eligibility threshold, as described in Education Code 8213. Within this priority category, children with exceptional needs from families with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the Superintendent of Public Instruction (SPI) at the time of enrollment, shall be enrolled first.

3. The third priority shall be given to eligible four-year-old children who are not enrolled in a state-funded transitional kindergarten (TK) program. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208 (a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Within this priority category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first.

If two or more families have the same income ranking according to the most recent schedule of income ceiling eligibility table, a child from a family in which the primary home language is a language other than English shall be enrolled first. If there are no children from such a family, the child that has been on the waiting list for the longest time shall be admitted first.

4. The fourth priority shall be given to eligible three-year-old children. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208 (a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Enrollment determinations within this priority category shall be made in the same way as for third priority in Item #3 above.
5. The fifth priority, after all otherwise eligible children have been enrolled, shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with exceptional needs interested in enrolling beyond those already enrolled in the 10 percent of funded enrollment set aside pursuant to Education Code 8208, then to four-year old children before three-year-old children without exceptional needs.
6. After all otherwise eligible children have been enrolled in the first through fifth priority categories, as described in Items #1-5 above, the district may enroll other children in the following order:
 - a. A CSPP program site operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any three- or four-year-old children whose families reside within the attendance boundary of the qualified elementary school. These children shall, to the extent possible, be enrolled by lowest to highest income according to the most recent schedule of income ceiling eligibility table.
 - b. Children enrolling in a CSPP program that provides expanded learning and care to TK or kindergarten students, pursuant to Education Code 48000

Regardless of the priorities listed above, until the district attains the percent of funded enrollment set aside for children with exceptional needs pursuant to Education Code 8208, children with exceptional needs shall be enrolled without regard to the priorities listed above. Within this category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first. (Education Code 8210)

Eligibility and Enrollment Priorities for Full-Day CSPP Programs

A three- or four-year-old child is eligible for a full-day CSPP program if the family meets both of the following requirements: (Education Code 8208)

1. The child's family is one of the following:
 - a. A current aid recipient, income eligible, or homeless
 - b. One whose children are recipients of child protective services, or whose children have been identified as

being abused, neglected, or exploited, or at risk of being abused, neglected, or exploited

- c. One who has children with exceptional needs, as defined in Education Code 8205
 - d. One with a household member who is certified to receive benefits from Medi-Cal, CalFresh, the California Food Assistance Program, the California Special Supplemental Nutrition Program for Women, Infants, and Children, the federal Food Distribution Program on Indian Reservations, Head Start, Early Head Start, or any other designated means-tested government program, as determined by CDE
2. The child's family needs the childcare services because of either the following:
- a. The child is identified by a legal, medical, or social services agency, the district liaison for homeless students, a Head Start program, or an emergency or transitional shelter as being a recipient of protective services; as being or at risk of being neglected, abused, or exploited; or as being homeless
 - b. The parents/guardians are participating in vocational training leading directly to a recognized trade, paraprofession, or profession; are engaged in an educational program for English language learners or to attain a high school diploma or general educational development certificate; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated

After all eligible three- and four-year-old children have been enrolled as provided above, a full-day CSPP program may provide services to children in families whose income is no more than 15 percent above the income eligibility threshold, as described in Education Code 8213. No more than 10 percent of all the children enrolled in the CSPP program shall be from families above the income eligibility threshold. (Education Code 8208)

After all families meeting the criteria specified in the paragraphs above have been enrolled, a full-day CSPP program may provide services to three- and four-year-old children in families who do not meet at least one of the criteria in Item #2 above. (Education Code 8208)

After all otherwise eligible children have been enrolled as provided above, a CSPP program operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any four-year-old child. (Education Code 8208)

For full-day CSPP programs, the district shall use the same priority ranking specified in Items #1-#4 of "Enrollment Priorities for Part-Day CSPP Programs" above, and the following: (Education Code 8211)

1. After all otherwise eligible children based on Items 1-4 of "Enrollment Priorities for Part-Day CSPP Programs" have been enrolled, fifth priority shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with an IFSP or IEP, then to four-year old children before three-year-old children without IFSP or IEP.
2. After all otherwise eligible children based on Items 1-4 of "Enrollment Priorities for Part-Day CSPP Programs" and Item #1 above have been enrolled, the district may enroll other children in the following order:
 - a. Three- and four-year old children from families who do not meet at least one of the need requirements in Item #2 above. Within this priority, families shall be enrolled in income ranking order, lowest to highest, and within income ranking order, four-year old children before three-year old children
 - b. When a CSPP program site operates within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217, three- or four-year-old children whose families reside within the attendance boundary of the school may be enrolled without establishing eligibility or a need for services. Such children shall, to the extent possible, be enrolled by lowest to highest income ranking order.

Regardless of the priorities listed above, until the district attains the percent of funded enrollment set aside for children with exceptional needs pursuant to Education Code 8208, children with exceptional needs shall be enrolled without regard to the priorities listed above. Within this category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first. (Education Code 8211)

Upon establishing initial eligibility or ongoing eligibility for a full-day CSPP program, a family shall be considered to meet all eligibility and need requirements for those services for not less than 24 months. Such families shall receive those services for not less than 24 months before having eligibility or need recertified, and shall not be required to report changes to income or other changes for at least 24 months. If the eligibility period ends before the end of a program year, eligibility shall be extended until the end of the program year, provided age-eligibility requirements are met, as specified in Education Code 8205. However, a family that establishes initial eligibility or ongoing eligibility on the basis of income shall report increases in income that exceed the threshold for ongoing income eligibility, as described in Education Code 8213, and the family's ongoing eligibility for services shall at that time be recertified. In addition, a family may, at any time, voluntarily report income or other changes. This information shall be used, as applicable, to reduce the family's fees, increase the family's services, or extend the period of the family's eligibility before recertification. (Education Code 8208)

Waiting List

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with applicable enrollment priorities. As vacancies occur, applicant families shall be contacted in order of priority on the waiting list. (5 CCR 17744)

Combined Preschool/Transitional Kindergarten Classroom

When a child is eligible for both the preschool program and the district's TK program, the district may place the child in a classroom which is commingled with children from both programs as long as the commingled program meets all of the requirements of each program as well as the following requirements: (Education Code 8207, 48000)

1. An early childhood environment rating scale, as specified in 5 CCR 18281, shall be completed for the classroom.
2. All children enrolled for 10 or more hours per week shall be evaluated using the Desired Results Developmental Profile, as specified in 5 CCR 18272.
3. The classroom shall be taught by a teacher who holds a credential issued by the Commission on Teacher Credentialing in accordance with Education Code 44065 and 44256.
4. The classroom shall comply with the adult-child ratio specified in Education Code 8264.8.
5. Contractors of the district shall report the services, revenues, and expenditures for children in the preschool program in accordance with 5 CCR 18068.
6. The classroom shall not include children enrolled in TK for a second year or children enrolled in a regular kindergarten classroom.

Fees and Charges

Fees for participation in the district's full-day CSPP program shall be assessed and collected in accordance with the fee schedule established by the SPI in conjunction with the California Department of Social Services. (Education Code 8252)

However, for the 2022-2023 school year, family fees shall not be collected as specified in Education Code 8252.

In addition, no fee shall be charged to an eligible family whose child is enrolled in a part-day preschool program or a family that is receiving CalWORKs cash aid. (Education Code 8253; 5 CCR 17735)

A family may be exempt from the fees for up to 12 months for any child enrolled in full-day preschool on the basis of being the recipient of child protective services or as being, or at risk of being, abused or neglected. (Education Code 8253)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers and/or whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8254)

Disenrollment Based on Reduced Funding

When necessary to disenroll families from subsidized preschool services, families shall be disenrolled in reverse order of the priority for services specified in Education Code 8210 and 8211 and as described above in the sections "Enrollment Priorities for Part-Day CSPP Programs" and "Eligibility and Enrollment Priorities for Full-Day CSPP Programs." (Education Code 8214; 5 CCR 17744)

Expulsion/Unenrollment and Suspension Based on Behavior

A district preschool program shall not expel or unenroll a child or persuade or encourage a child's parents/guardians to voluntarily unenroll from the program based on the child's behavior, unless the district first takes the following actions to address the child's behavior: (Education Code 8489.1)

1. In writing, inform the parents/guardians of the child's persistent and serious challenging behaviors and consult with the parents/guardians and teacher in an effort to maintain the child's safe participation in the program
2. If the child has an IFSP or IEP, contact, with written parent/guardian consent, the agency or district employee responsible for such plan or program to seek consultation in regard to serving the child
3. If appropriate, consider completing a comprehensive screening of the child, including, but not limited to, screening the child's social and emotional development, referring the parents/guardians to community resources, and implementing behavior supports within the program

If the district has taken the actions specified in Items #1-3 above and the child's continued enrollment would present a serious safety threat to the child or other enrolled children, the district shall refer the parents/guardians to other potentially appropriate placements, the local child care resource and referral agency, or any other referral service available in the local community. The district shall, to the greatest extent possible, support direct transition to a more appropriate placement. The district may then unenroll the child. The district shall have up to 180 days to complete the actions described above. (Education Code 8489.1)

A child shall not be suspended from a CSPP program, nor shall a child's parent/guardian be encouraged or persuaded to prematurely pick up a child before the program day ends, except as a last resort in extraordinary circumstances, when a safety threat exists that cannot be eliminated or reduced without the removal of the child.

Before determining that a suspension is necessary, the district shall collaborate with the child's parents/guardians and, as needed, shall use appropriate community resources to determine that no other reasonable option is appropriate.

When suspension is deemed necessary, the district shall help the child return to full participation in the program as soon as possible while ensuring safety, by doing the following:

1. Continuing to engage with the child's parents/guardians and continuing to use appropriate community resources
2. Developing a written plan to document the action and supports needed
3. Providing referrals to appropriate community resources
4. If the child has an IFSP or IEP, contacting, with written parent/guardian consent, the agency responsible for the child's IFSP or IEP, to seek consultation on servicing the child

Upon enrollment, the parents/guardians of each child shall be notified, in writing, of the limitations on expulsion, suspension, or any form of disenrollment and how the parents/guardians may file an appeal to CDE in the event of expulsion or suspension. If the district suspends or expels a child from any CSPP program, the district shall, at least 24 hours before the effective date of the suspension or expulsion, issue the child's parents/guardians a written "Notice of Action, Recipient of Services," as described in 5 CCR 17783, informing the parents/guardians of the right to file an appeal of the action directly with CDE no later than 14 calendar days after receiving the notice.

Children with exceptional needs may only be suspended or expelled in conformance with the procedures and limitations of the Individuals with Disabilities Education Act.

Notice of Action

Upon receiving a parent/guardian's application for services, the Superintendent or designee shall review the application and documentation and shall certify the eligibility of the family or child.

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 17782)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 17783)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the parent/guardian no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file including, but not limited to, a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. (5 CCR 17758)
