BACKGROUND INFORMATION:

Students of the Albany Middle School Cobra and Concert Bands traditionally attend a multi-day [Music Camp in Cazadero, California](#). This trip aligns with California Standards and supports learning by providing students opportunities to begin to explore expression through musical performance on their respective instruments. The students will take their musical expressivity to the next level through several activities and rehearsals geared towards building musical independence

DETAILS: Students in the Albany Middle School 6th and 7th grade bands, along with ten (10) parent chaperones, will travel by bus to Cazadero Music Camp and stay in tent decks at the camp for two (2) nights. During the trip, students will participate in an action-packed three day music immersion program, including an intensive schedule of practice, rehearsal, and performance. This is a rare opportunity for music students who usually meet just a few hours per week to immerse themselves in an exciting and challenging musical repertoire. They make rapid progress both individually and as an ensemble. Students will also enjoy group activities such as campfires, a variety show, tent-deck decorating competition, and a special staff and mentor concert performed just for the campers. The weekend culminates in a formal student concert, attended by family and friends. Parents will pick up and take their children home after the closing of the camp.
