**WHEREAS**, the residents of Albany have recognized the need for safe, passable sidewalks to improve walkability throughout the City's entire network; and

**WHEREAS**, in November 2016, Albany voters approved Measure P1, a parcel tax for the purposes of publicly funding repairs to the City sidewalks; and

**WHEREAS**, on April 25, 2024, the Transportation Commission recommended that the City Council authorize construction of Phase 9 of the Sidewalk Rehabilitation Program; and
