---

**PURPOSE:** The purpose of this item is for the Board of Trustees to review and discuss the proposed allocation of approximately \$11.5M in School Facility Project Funding.

**BACKGROUND INFORMATION:** In December 2023, the District received \$11,451,581.00 in School Facility Project (SFP) funding from the State Allocation Board. At the Nov. 14, 2023 Board meeting, the Board approved a District-wide Facilities Assessment to be conducted by LCA Architects. This assessment was intended to update the 2014 Master Plan and also identify the most urgent needs at each school site. Information included in the assessment was gathered from site visits, stakeholder meetings, and District provided documents including the Environmental Action Plan, Security Audit, Safety Task Force, and others. The results are intended to inform the allocation of the SFP grant.

**DETAILS:** The Director of Maintenance and Operations will propose a revised allocation proposal of the SFP grant based on recommendations of the Board at the May 14, 2024 meeting.
