Regular Meeting of February 11, 2025

ITEM: RELEASE OF SURPLUS MATERIAL

PREPARED BY: SCOT JAFFE, DIRECTOR OF MAINTENANCE & OPERATIONS

TYPE OF ITEM: CONSENT

PURPOSE: The purpose of this item is for the Board of Trustees to approve the release of surplus material to be disposed of by Bay Area Surplus in accordance with existing Independent Contractor Service Agreement.

BACKGROUND INFORMATION: On the blacktop playground area at Albany Middle School is an abandoned storage container. It was previously thought to belong to the City of Albany but they denied ownership. The padlock was cut off and it was found to be empty. There are several holes and rust throughout. Its location limits playground activity and parking for public events. In addition, it could present a safety risk if climbed upon.

DETAILS: At the May 24, 2022 Board of Education meeting, the Trustees approved a service agreement with Bay Area Surplus to dispose of surplus materials in accordance with the California Department of Education Code: Article 14: 17545. A public notice will be posted in the district and on the district website announcing the intent to dispose of surplus items. Bay City Surplus will take photos of the various items and place them on an EBay auction site to be sold to the highest bidder. Once sold, Bay City Surplus will forward to the district the itemized proceeds from all sales, minus a percentage to Bay City Surplus, which includes fees to EBay.

In the event of any items not selling, Bay City Surplus will inform the Director of Maintenance and Operations who is then free to dispose of the items in whatever means necessary.

FINANCIAL INFORMATION: AUSD will be attempting to dispose of a surplus item and will not incur any fees until the item is sold. Upon the sale of the surplus item, the District will receive a substantial percentage of the sale price.
