Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

MacGregor is a small and nimble program that regularly forms goals through a variety of formal and informal processes. During the 2018-2019 school year MacGregor also went through our mid-cycle accreditation visit, reviewing our progress over the last three years since our previous accreditation. The feedback from WASC and the outside reflection on our program informed our revisions to our goals. Throughout the year, the Site Council and members of the council met to review our progress as a program. In addition, we participate in other bodies such as AHS PTSA and IIC, as well as receiving guidance from the LCAP and AUSD's Strategic Plan.

Annual Review

SPSA Year Reviewed: 2020-21

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Even in remote learning, MacGregor staff has kept in regular contact with each other and found time to meet to discuss student concerns. The goals related to the physical space were made moot by the pandemic.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The changes were mostly in the implementation, but the spirit of the goals was left intact. Even in the pandemic, we continued to focus on collaboration to best serve students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The addition of a new teacher and new mental health support may result in revisions in the details in this goal. Also, there may be changes to the specific MacGregor grading guidelines.
