

**A RESOLUTION OF THE ALBANY CITY COUNCIL AUTHORIZING
THE CITY MANGER TO ENTER INTO A FIVE YEAR AGREEMENT FOR SEWER
INSPECTION SOFTWARE ITPIPES AND SERVICES FROM ITPIPES, LLC**

WHEREAS, the City is signatory to a Consent Decree Agreement with the USEPA (United States Environmental Protection Agency) and the State Water Resources Control Board with annual requirements for performance and reporting on sanitary sewer maintenance and rehabilitation work; and

WHEREAS, the City subsequently adopted the 2014 Sanitary Sewer Management Plan (SSMP) and the 2014 Sanitary Sewer Asset Management Improvement Plan (AMIP) to outline data collection and condition assessment methodologies for planning of sewer maintenance and rehabilitation programs; and

WHEREAS, the ITpipes sewer inspection software from Infrastructure Technologies, LLC is an established software in the pipeline inspection industry with favorable reviews from local municipalities; and

WHEREAS, ITpipes sewer inspection software provides for integration with existing City financial, asset management, and GIS systems; and

WHEREAS, Infrastructure Technologies, LLC provided a quote for software suite and services for data collection and condition assessment of sewer infrastructure which staff reviewed and has deemed to be competitive with other companies offering sewer inspection software and services; and

WHEREAS, ITpipes, LLC will be providing services to implement ITpipes sewer inspection software, including interfacing with the City's sewer inspection equipment.

NOW, THEREFORE, BE IT RESOLVED, that the Albany City Council hereby authorizes the City Manager to enter into a five year agreement with ITpipes, LLC in the not-to-exceed amount of \$91,050 for software and services using funds appropriated for the Public Works Sewer Program Operating Budget.

GE'NELL GARY, MBA - MAYOR
