Dear Ms. Leduc,

This is to inform you, the Commission, the City Council and the Urban Forester that we will appeal to the Albany City Council the decision of the PROSC to raze the two adjoining Liquidambar trees on Washington Avenue.

I am reminding the parties, and Mr Hawkrige in particular, that according to City rules, an appeal to the City Council will stay or delay any attempt by the Commission or the Urban Forester to remove the trees until the City Council affirms the PROSC decision.

I note that the removal request was made on a Non-Emergency basis.

Thank you.

Ingrid Haubrich
