General Furniture Terms and Conditions

PROPOSAL ESTIMATES. This proposal is subject to applicable sales tax at the time the furniture is delivered. Any delivery and installation quotes are based on non-union and non-prevailing wage labor between the hours of 7:00am to 4:00pm, Monday through Friday, unless otherwise stated.

ORDER PROCESSING. The customer is responsible for verifying all model numbers, dimensions, sizes, finishes and quantities are correct as specified on the proposal. Once the order has been placed, it is non-cancelable and non-returnable. Any change must occur within 24 hours of AAA receipt of signed quote.

ADDITIONAL CHARGES. The site is to be free and clear for installation at the agreed upon date and time. If your site is not ready to accept delivery and installation, the order is immediately billable. Any labor costs for transporting the product to an alternate location, including back to AAA warehouse, and for redelivering and storing product, will be chargeable to the client. If there are any unusual conditions that were not specifically covered by the quote, including having to move or dispose of existing furniture, the labor costs to address these conditions are chargeable to the client. AAA Business Interiors reserves the right to assess a finance charge of 1.5% on all past due balances.

DROP SHIPMENTS. In the event that a customer has chosen to have a product shipped directly from the manufacturer to their designated location, the customer assumes responsibility of the product, the labor to remove the product from the truck and to inspect the order for accuracy and damages. The title and risk of loss is immediately passed onto the customer upon delivery. If any portion of the shipment is damaged or missing, the customer is not to sign off on the receipt until the delivery company makes an appropriate notation on the receipt. The customer is responsible for filling a freight claim with the delivery company within 3 days of receipt. If there is any concealed damage, the customer agrees to make a written request within 7 days to the freight company directly. At time of receipt, regardless of the status of any freight claims, the customer agrees the invoice is payable in full.

LIABILITIES AND WARRANTIES. AAA Business Interiors is not liable for any defective product but shall pass on the warranty of the manufacturer. Any damages or loss of product shall be the customer's responsibility unless caused by AAA Business Interiors. AAA Business Interiors is not liable for delays in delivery where the cause is beyond reasonable control.
